

DREAM HARD ASSET ALTERNATIVES TRUST RENEWS NORMAL COURSE ISSUER BID

FOR IMMEDIATE RELEASE

TORONTO, JANUARY 11, 2018, Dream Hard Asset Alternatives Trust (TSX: DRA.UN) announced today that the Toronto Stock Exchange accepted a notice filed by Dream Hard Asset Alternatives Trust (the “Trust”) to renew its prior normal course issuer bid for a one year period. Under the bid, the Trust will have the ability to purchase for cancellation up to a maximum of 6,273,601 of its Units (the “Units”) (representing 10% of the Trust’s public float of 62,736,012 Units) through the facilities of the Toronto Stock Exchange. The bid will commence on January 15, 2018 and will remain in effect until the earlier of January 14, 2019 or the date on which the Trust has purchased the maximum number of Units permitted under the bid. Daily purchases will be limited to 14,431 Units which equals 25% of the average daily trading volume during the last six calendar months (being 57,724 Units per day), other than purchases pursuant to applicable block purchase exceptions. As of December 31, 2017, the number of issued and outstanding Units is 72,434,566.

The Trust has renewed its normal course issuer bid because it believes that Units may become available during the period of the bid at prices that would make the purchase of such Units for cancellation in the best interests of the Trust and its unitholders.

The Trust’s current normal course issuer bid for the purchase of up to 6,595,470 Units expires on January 12, 2018. Under this bid and up until January 9, 2018, the Trust has purchased for cancellation 875,770 Units through the facilities of the Toronto Stock Exchange at an average price of \$6.21 for a total cost of \$5.4 million.

About Dream Hard Asset Alternatives Trust

Dream Hard Asset Alternatives Trust provides an opportunity for Unitholders to invest in hard asset alternative investments, including real estate, real estate lending, real estate development and infrastructure, including renewable power, managed by an experienced team with a successful track record in these areas. The objectives of the Trust are to provide predictable and sustainable cash distributions to Unitholders on a tax efficient basis, and grow and reposition the portfolio to increase both AFAD and NAV per unit over time. Forward Looking Information

This press release may contain forward-looking information within the meaning of applicable securities legislation, including with respect to future purchases of Units by the Trust. Forward-looking information is based on a number of assumptions and is subject to a number of risks and uncertainties, many of which are beyond the Trust’s control, which could cause actual results to differ materially from those that are disclosed in or implied by such forward-looking information. These risks and uncertainties include, but are not limited to general and local economic and business conditions, employment levels, mortgage and interest rates and regulations, regulatory risks, environmental risks, consumer confidence, the financial condition of tenants and borrowers, local real estate conditions, adverse weather conditions and variability in wind conditions and solar irradiation, reliance on key clients, partners and personnel, the uncertainties of acquisitions and new projects, inflation and competition. All forward looking information in this press release speaks as of January 11, 2018. The Trust does not undertake to update any such forward looking information whether as a result of new information, future events or otherwise. Additional information about these assumptions and risks and uncertainties is disclosed in filings with securities regulators filed on SEDAR (www.sedar.com). These filings are also available at the Trust’s website at www.dreamalternatives.ca.
