About Dream Alternatives

Dream Alternatives Trust provides an opportunity for unitholders to invest in diversified hard asset alternative investments, including real estate, real estate loans and infrastructure, including renewable power, managed by an experienced team with a successful track record in these areas. The objectives of the Trust are to provide predictable and sustainable cash distributions to unitholders on a tax efficient basis, and re-position and grow its assets to increase the value of its business and its distributions to unitholders over time. Initially, the Trust expects to make monthly distributions of \$0.033 per unit (\$0.40 per unit on an annual basis) on the 15th of each month, implying a current, tax-efficient distribution yield of 6.0%.
