The Units and Debt Securities are referred to in this Prospectus as the "Securities". Dundee Properties Limited Partnership ("DPLP") and certain of its subsidiaries may also offer Units beneficially owned by or issuable to them on the exchange of LP Class B limited partnership units ("LP B Units") of Dundee Industrial Limited Partnership ("Industrial Partnership"), our operating subsidiary. This prospectus qualifies the distribution of Securities by Dundee Industrial REIT and by DPLP and the subsidiaries of DPLP who are selling unitholders.

The specific terms of any offering of Securities will be set forth in a shelf prospectus supplement (a "Prospectus Supplement") and may include, where applicable: (i) in the case of Units, the number of Units offered, the offering price, whether the Units are being offered for cash or other consideration, and any other specific terms; and (ii) in the case of Debt Securities, the specific designation, aggregate principal amount, currency or currency unit for the Debt Securities, maturity, interest rate provisions, authorized denominations, covenants, events of default, any terms for redemption, any exchange or conversion provisions, the initial offering price (or the manner of determination thereof if offered on a non-fixed price basis), any terms for subordination of the Debt Securities to other indebtedness, whether the Debt Securities will be secured by any assets or guaranteed by any other person and any other specific terms. You should read this Prospectus and any applicable Prospectus Supplement before you invest in any Securities.

This Prospectus does not qualify for issuance Debt Securities in respect of which the payment of principal and/or interest may be determined, in whole or in part, by reference to one or more underlying interests including, for example, an equity or debt security, a statistical measure of economic or financial performance including, but not limited to, any currency, consumer price or mortgage index, or the price or value of one or more commodities, indices or other items, or any other item or formula, or any combination or basket of the foregoing items, other than as required to provide for an interest rate that is adjusted for inflation. For greater certainty, this Prospectus may qualify for issuance Debt Securities in respect of which the payment of principal and/or interest may be determined, in whole or in part, by reference to published rates of a central banking authority or one or more financial institutions, such as a prime rate or bankers' acceptance rate, or to recognized market benchmark interest rates such as CDOR (the Canadian Dollar Offered Rate) or LIBOR (the London Interbank Offered Rate), and/or that are convertible into or exchangeable for Units.

Dundee Industrial REIT is an unincorporated, open-ended real estate investment trust governed by the laws of Ontario. Our head office is located at 30 Adelaide Street East, Suite 1600, Toronto, Ontario M5C 3H1.

Our outstanding Units are listed on the Toronto Stock Exchange (the "TSX") under the symbol DIR.UN. **Unless otherwise specified in the applicable Prospectus Supplement, the Debt Securities will not be listed on any securities exchange and there is no market through which the Debt Securities may be sold and purchasers may not be able to resell the Debt Securities purchased under this Prospectus. This may affect the pricing of the Debt Securities in the secondary market, the transparency and availability of trading prices, the liquidity of the Debt Securities, and the extent of issuer regulation. See the risk factors in the Prospectus Supplement relating to the particular Debt Securities.**

We may offer and sell Securities to or through underwriters or dealers purchasing as principals, and may also sell Securities directly to one or more purchasers or through dealers acting as agents. The Prospectus Supplement relating to a particular offering of Securities will identify each underwriter, dealer or agent, as the case may be, engaged in connection with the offering and sale of Securities, and will set forth the terms of the offering of such Securities, including the method of distribution of such Securities, the proceeds to Dundee Industrial REIT and any fees, discounts or other compensation payable to underwriters, dealers or agents and any other material terms of the plan of distribution.

Unless otherwise specified in the relevant Prospectus Supplement, in connection with any offering of Securities, the underwriters, dealers or agents may effect transactions that stabilize or maintain the market price of the Securities at levels other than those which otherwise might prevail on the open market. Such transactions, if commenced, may be discontinued at any time. See "Plan of Distribution".

There are certain risks inherent in an investment in our Securities and in our activities. Prospective investors should carefully consider these risk factors before purchasing Units. See "Risk Factors" in our IPO Prospectus (as defined in "Documents Incorporated by Reference").

A return on an investment in Units is not comparable to the return on an investment in a fixed income security. The recovery of your investment in Units is at risk, and the anticipated return on your investment in Units is based on many performance assumptions. Although we intend to make distributions of our available cash to holders of Units, these cash distributions may be reduced or suspended, depending on numerous factors disclosed in our continuous disclosure documents and in our IPO Prospectus. In addition, the market value of the Units may decline if we are unable to meet our cash distribution targets in the future, and that decline may be significant.

It is important for you to consider the particular risk factors that may affect the real estate industry and therefore the stability of distributions that holders of Units receive. See, for example, "Risk Factors" in our IPO Prospectus. That section also describes our assessment of certain of those risk factors, as well as the potential consequences if a risk should occur.

The after-tax return from an investment in Units to holders subject to Canadian income tax will depend, in part, on the composition for income tax purposes of distributions paid by Dundee Industrial REIT on its Units, portions of which may be fully or partially taxable or may constitute tax deferred distributions which are not subject to tax at the time of receipt but reduce a holder's adjusted cost base in the Unit for tax purposes. The composition may change over time, thus affecting a holder's after-tax return. Distributions of the taxable income of Dundee Industrial REIT

are generally taxed as ordinary income in the hands of a holder. Distributions in excess of the taxable income of Dundee Industrial REIT are generally tax-deferred (and reduce a holder's adjusted cost base in the Unit for tax purposes).

We are not a trust company and are not registered under applicable legislation governing trust companies as we do not carry on the business of a trust company. The Units are not "deposits" within the meaning of the *Canada Deposit Insurance Corporation Act*, and are not insured under the provisions of that Act or any other legislation.

All shelf information permitted under applicable securities legislation to be omitted from this Prospectus will be contained in one or more Prospectus Supplements that will be delivered to purchasers together with this Prospectus. Each Prospectus Supplement will be incorporated by reference into this Prospectus for the purposes of securities legislation as of the date of the Prospectus Supplement and only for the purposes of the distribution of the Securities to which the Prospectus Supplement pertains.

Our investment and operating activities are limited, because our operating activities are carried out by our Subsidiaries. For simplicity, we use terms in this Prospectus to refer to our investments and operations as a whole. Accordingly, in this Prospectus, unless the context otherwise requires, when we use terms such as “we”, “us” and “our”, we are referring to Dundee Industrial REIT and its Subsidiaries. When we use expressions such as “our investments” or “our operations”, we are referring to the investments and operations of Dundee Industrial REIT and its Subsidiaries as a whole. When we use expressions such as “our properties”, “our portfolio”, “we own” or “we invest in” in relation to our properties, we are referring to our ownership of and investment in our properties indirectly through our Subsidiaries. When we use expressions such as “we operate”, we are referring to our operations through our Subsidiaries. When we refer to “Dundee Industrial REIT”, we are referring only to Dundee Industrial Real Estate Investment Trust.

DUNDEE INDUSTRIAL REIT

Overview

We provide an opportunity for investors to gain direct exposure to the industrial real estate sector, while continuing to benefit from the proven track record of Dundee Realty Corporation, our asset manager. Our portfolio consists of 77 light industrial properties (the “Initial Properties”) located in seven provinces in Canada comprising approximately 6.02 million square feet of GLA. We are among the largest real estate investment trusts in Canada to focus primarily on industrial real estate assets.

Dundee Industrial REIT is an unincorporated open-ended real estate investment trust governed by the laws of the Province of Ontario. Dundee Industrial REIT is a “mutual fund trust” as defined in the *Income Tax Act* (Canada), as amended from time to time, and the *Income Tax Regulations* (Canada), as amended from time to time, as applicable (the “Tax Act”), but is not a “mutual fund” within the meaning of applicable Canadian securities legislation. Our head office is located at 30 Adelaide Street East, Suite 1600, Toronto, Ontario M5C 3H1. A copy of

our Declaration of Trust is available from our Secretary during the period of distribution of the Securities and is available at SEDAR at www.sedar.com.

RECENT DEVELOPMENTS

Completion of initial public offering and acquisition of the Initial Properties

Dundee Industrial REIT was established on July 20, 2012 as a real estate investment trust to focus on owning and acquiring industrial properties.

On October 4, 2012, we completed our initial public offering of 15,500,000 Units at a price of \$10.00 per Unit for aggregate gross proceeds of \$155,000,000. Dundee Corporation and Michael J. Cooper purchased a total of 2,500,000 Units at a price of \$10.00 per Unit for aggregate gross proceeds of \$25,000,000. These proceeds, together with drawings of \$8.5 million on our credit facility, were used to indirectly acquire the Initial Properties from subsidiaries of Dundee Real Estate Investment Trust (“Dundee REIT”). Dundee Industrial REIT also acquired on October 4, 2012 the co-ownership interests in seven of the Initial Properties that were owned by a third party. As a result, Dundee Industrial REIT owns 100% of the 77 Initial Properties, other than 2240 Premier Way, Edmonton, Alberta, in which it has a 50% interest.

On October 17, 2012, we completed the issuance of an additional 2,325,000 Units at a price of \$10.00 per Unit for aggregate gross proceeds of \$23,250,000. We issued these securities pursuant to the exercise of the over-allotment option by the underwriters for our initial public offering. We used the net proceeds from this additional issuance for general trust purposes, including to repay the \$8.5 million of drawings on our credit facility referred to above.

Under applicable Canadian securities laws, the acquisition of the Initial Properties was considered a “significant acquisition”. The business acquisition report of Dundee Industrial REIT relating to the acquisition is incorporated by reference into this Prospectus.

Current discussions and agreements regarding proposed acquisitions and dispositions

On November 9 2012, we entered into an agreement to acquire 2 Lone Oak Court and 441 Chrislea Road, both located in the Greater Toronto Area, Ontario. The two single tenant buildings were built in 2001 and 1998, respectively, and together total approximately 173,000 square feet. The transaction is expected to close on or about November 30, 2012.

Consistent with our past practices and in the normal course, we are engaged in discussions with respect to possible acquisitions of new properties and dispositions of existing properties in our portfolio. However, there can be no assurance that any of these discussions will result in a definitive agreement and, if they do, what the terms or timing of any acquisition or disposition would be. We expect to continue current discussions and actively pursue other acquisition, investment and disposition opportunities.

CONSOLIDATED CAPITALIZATION

The material changes in our consolidated capitalization from October 1, 2012 to November 22, 2012 are as follows:

- Indebtedness increased by \$321.3 million as a result of: (i) \$279.9 million in mortgages assumed on the acquisition of the Initial Properties; (ii) \$42.0 million of promissory notes payable to Dundee REIT issued in connection with the acquisition of the Initial Properties; and (iii) \$8.5 million drawn on our secured operating credit facility. Offsetting this was: (i) \$0.6 million of principal repayments on the assumed mortgages referred to above; and (ii) \$8.5 million of repayments on the secured operating credit facility referred to above. In addition, the number of subsidiary redeemable units increased due to the issuance of 16,034,631 LP B Units in connection with the acquisition of the Initial Properties and the issuance of 77,200 LP B Units pursuant to the

distribution reinvestment provisions of the limited partnership agreement of Industrial Partnership;
and

- Unitholders' equity increased due to: (i) the issuance of 20,325,000 Units in connection with our initial public offering and the subscriptions by Dundee Corporation and Michael J. Cooper; and (ii) the issuance of 1,246 Units pursuant to our distribution reinvestment and unit purchase plan.

USE OF PROCEEDS

Specific information about our use of the net proceeds from an offering of Securities will be set forth in the Prospectus Supplement for that offering.

EARNINGS COVERAGE RATIOS

Earnings coverage ratios will be provided as required in the Prospectus Supplement with respect to the issuance of Debt Securities pursuant to this Prospectus.

DESCRIPTION OF UNITS

Units

Each Unit represents an undivided beneficial interest in Dundee Industrial REIT and in distributions made by Dundee Industrial REIT, whether of net income, net realized capital gains or other amounts and, in the event of the termination or winding-up of Dundee Industrial REIT, in its net assets remaining after the satisfaction of all its liabilities. The Units rank among themselves equally and rateably without discrimination, preference or priority. The distribution entitlement of the Units is derived from the securities held by Dundee Industrial REIT.

Each Unit entitles the holder thereof to one vote at all meetings of unitholders.

The Units are not “deposits” within the meaning of the *Canada Deposit Insurance Corporation Act* and are not insured under the provisions of such act or any other legislation. Furthermore, we are not a trust company and, accordingly, we are not registered under any trust and loan company legislation as we do not carry on nor intend to carry on the business of a trust company.

For more information regarding our Units, see “Declaration of Trust and Description of REIT Units” in our IPO Prospectus.

Limitation on Non-Resident Ownership

In order for Dundee Industrial REIT to maintain its status as a mutual fund trust under the Tax Act, it must not be established or maintained primarily for the benefit of non-residents of Canada. Accordingly, there are certain restrictions on the number of non-residents that may own our voting securities. See “Declaration of Trust and Description of REIT Units—Limitation on Non-Resident Ownership” in our IPO Prospectus.

We may sell Securities: (a) through underwriters, dealers or agents purchasing as principal or acting as agent; (b) directly to one or more purchasers, including sales upon the exercise of conversion or exchange rights attaching to convertible or exchangeable securities held by the purchaser; or (c) through a combination of any of these methods of sale. Securities may be sold from time to time in one or more transactions at a fixed price or prices which may be changed, at market prices prevailing at the time of sale, at prices related to such prevailing market price or at prices to be negotiated with purchasers, either for cash or for other consideration.

The Prospectus Supplement relating to each offering of Securities will identify each underwriter, dealer or agent, as the case may be, and will also set forth the terms of that offering, including the purchase price of such Securities, the proceeds to Dundee Industrial REIT and any underwriters', dealers' or agents' fees, commissions or other items constituting underwriters' or agents' compensation. Only underwriters, dealers or agents so named in the applicable Prospectus Supplement are deemed to be underwriters, dealers or agents, as the case may be, in connection with the Securities offered thereby.

In connection with the sale of Securities, underwriters, dealers or agents may receive compensation from Dundee Industrial REIT in the form of commissions, concessions or discounts. Any such commissions may be paid out of the general funds of Dundee Industrial REIT or the proceeds of the sale of the Securities.

Under agreements which may be entered into by Dundee Industrial REIT, underwriters, dealers and agents who participate in the distribution of Securities may be entitled to indemnification by Dundee Industrial REIT against certain liabilities, including liabilities under securities legislation, or to contribution with respect to payments which such underwriters or agents may be required to make in respect thereof.

In connection with any offering of Securities, the underwriters, dealers or agents who participate in the distribution of Securities may over-allot or effect transactions which stabilize or maintain the price of the Securities at a higher level than that which might exist in the open market. Such transactions may be commenced, interrupted or discontinued at any time.

Unless stated to the contrary in any Prospectus Supplement, the Securities have not been and will not be registered under the 1933 Act or any state securities laws and may not be offered or sold within the United States or to U.S. persons within the meaning of Regulation S under the 1933 Act, except in certain transactions exempt from the registration requirements of the 1933 Act. In addition, until 40 days after the commencement of an offering of Securities, an offer or sale of the Securities within the United States or to U.S. persons by any dealer, whether or not participating in the offering, may violate the registration requirements of the 1933 Act if such offer or sale is made otherwise than in accordance with an exemption from the registration requirements of the 1933 Act.

PURCHASERS' STATUTORY AND CONTRACTUAL RIGHTS

Securities legislation in certain of the provinces of Canada provides purchasers with the right to withdraw from an agreement to purchase securities. This right may be exercised within two business days after receipt or deemed receipt of a prospectus and any amendment, irrespective of the determination at a later date of the purchase price of the securities distributed. In several of the provinces, the securities legislation further provides a purchaser with remedies for rescission or, in some jurisdictions, revisions of the price or damages if the prospectus and any amendment contains a misrepresentation or is not delivered to the purchaser, provided that the remedies for rescission, revisions of the price or damages are exercised by the purchaser within the time limit prescribed by the securities legislation of the purchaser's province. The purchaser should refer to any applicable provisions of the securities legislation of the purchaser's province for the particulars of these rights or consult with a legal adviser.

Original Canadian purchasers of Debt Securities which are convertible or exchangeable into units of Dundee Industrial REIT will have a contractual right of rescission against Dundee Industrial REIT following the issuance of underlying units of Dundee Industrial REIT to such original purchasers upon the conversion or exchange of such convertible or exchangeable Debt Securities. The contractual right of rescission will entitle such original purchasers to receive the amount paid for the applicable convertible or exchangeable Debt Securities upon surrender of the underlying units of Dundee Industrial REIT issued upon the conversion or exchange of the Debt Securities, in the event that this Prospectus, the relevant Prospectus Supplement or an amendment contains a misrepresentation, provided that: (i) the conversion or exchange takes place within 180 days of the date of the purchase under this Prospectus of the Debt Securities which are convertible or exchangeable; and (ii) the right of rescission is exercised

within 180 days of the date of the purchase under this Prospectus of the Debt Securities which are convertible or exchangeable. This contractual right of rescission will be consistent with the statutory right of rescission described under section 130 of the *Securities Act* (Ontario), and is in addition to any other right or remedy available to original purchasers under section 130 the *Securities Act* (Ontario) or otherwise at law. Original purchasers are further advised that in certain provinces the statutory right of action for damages in connection with a prospectus misrepresentation is limited to the amount paid for the Debt Securities which are convertible or exchangeable that were purchased under a prospectus, and therefore a further payment at the time of conversion or exchange may not be recoverable in a statutory action for damages. The purchaser should refer to any applicable provisions of the securities legislation of the province in which the purchaser resides for the particulars of these rights, or consult with a legal advisor.
