DUNDEE REAL ESTATE INVESTMENT TRUST MANAGEMENT INFORMATION CIRCULAR

All information in this management information circular is presented as of March 14, 2006 unless otherwise indicated.

This management information circular (the “Management Information Circular”) is furnished in connection with the solicitation of proxies by management of Dundee Real Estate Investment Trust (the “Trust” or “Dundee REIT”) for use at the annual meeting of unitholders of the Trust (the “Meeting”) to be held at the time and place and for the purposes set forth in the Notice of Annual Meeting which accompanies this Management Information Circular.

PART I – VOTING

SOLICITATION OF PROXIES

Proxies will be solicited primarily by mail and supplemented by telephone or other personal contact by the trustees and officers of the Trust and/or employees of subsidiaries of the Trust. These persons will not receive any extra compensation for these activities. The Trust may pay brokers or other service providers acting on their behalf for their reasonable expenses incurred in connection with sending proxies and this Management Information Circular to beneficial owners of units and obtaining voting instructions from them. The Trust will bear the cost of soliciting proxies.

No person is authorized to give any information or to make any representation other than that which is contained in this Management Information Circular and, if given or made, you should not rely upon that information or representation as having been authorized by the Trust. Information in this Management Information Circular that is current as of a particular date may have changed by the time you receive this document.

APPOINTMENT AND REVOCATION OF PROXIES

If you are a registered holder of REIT Units, Series A of the Trust (a “Unitholder”), you will have received a form of proxy with this Management Information Circular. The persons named in the form of proxy are trustees and/or officers of the Trust. Unitholders have the right to appoint a person or company (who does not need to be a Unitholder), other than the persons whose names appear on the form of proxy, to attend and act for and on behalf of that Unitholder at the Meeting and at any adjournment or postponement of the Meeting. This right may be exercised by either striking out the names of the persons specified in the form of proxy and inserting the name of the person or company to be appointed in the blank space provided in the form of proxy, or by completing another proper form of proxy and, in either case, delivering the completed and executed form of proxy in the manner described in the Notice of Annual Meeting of Unitholders which

accompanies this Management Information Circular (the “Notice of Meeting”).

A Unitholder who has completed and delivered a proxy may revoke it by delivering a written instrument (such as another completed form of proxy). This instrument must be executed by the Unitholder or by his or her attorney authorized in writing or, if the Unitholder is a corporation, by an officer or attorney of the corporation properly authorized. This instrument must be delivered to Computershare Investor Services Inc., 100 University Avenue, 9th Floor, Toronto, Ontario, M5J 2Y1, prior to 5:00 p.m. (Toronto time) on the second last business day preceding the day of the Meeting or any adjournment or postponement of the Meeting. A Unitholder may also revoke a proxy in any other manner permitted by law.

Only Unitholders or the persons they appoint are permitted to attend and vote at the Meeting. You are a “Non-Registered Unitholder” if you hold units that are registered either (a) in the name of an intermediary (an “Intermediary”), such as a broker, investment dealer, bank, trust company or trustee or administrator of a self-administered RRSP, RRIF, RESP or similar plan; or (b) in the name of a clearing agency, such as the Canadian Depository for Securities Limited, of which the Intermediary is a participant. Non-Registered Unitholders may have their units voted at the Meeting by following the instructions provided to them by or on behalf of their Intermediaries.

Typically, a Non-Registered Unitholder will receive a voting instruction form or other document with this Management Information Circular. This form allows you to provide voting instructions with respect to your units. The voting instruction form is similar to the form of proxy provided to Unitholders. However, its purpose is limited to instructing a registered Unitholder how to vote on your behalf.

Intermediaries will typically make arrangements that will allow you to provide voting instructions by completing and returning a voting instruction form by mail or facsimile, calling a toll-free telephone number

(1-800-474-7493) or by using the internet at www.proxyvote.com. You should carefully follow the directions provided to you in order to ensure that your units are voted at the Meeting.

In general, Non-Registered Unitholders receiving a voting instruction form or other document from an Intermediary cannot use that document to vote units directly at the Meeting. Rather, the completed voting instruction form must be returned or voting instructions must otherwise be provided pursuant to the instructions accompanying the document well in advance of the deadline for the receipt of proxies set out in this Management Information Circular.

Please note that Non-Registered Unitholders seeking to attend the Meeting will not be recognized at the Meeting for the purpose of voting units registered in the name of an Intermediary or a clearing agency, unless the Non-Registered Unitholder instructs the Intermediary or clearing agency to appoint him or her as a proxyholder. In order to do this, the individual should follow the instructions on the voting instruction form regarding the manner in which voting instructions are to be provided and, in doing so, specify that individual's own name as the person to be appointed as proxyholder for the purposes of voting his or her units. For instance, if "John Smith" is a Non-Registered Unitholder and he wishes to be appointed as a proxyholder, in the voting instruction form he receives from his Intermediary, he should insert the name "John Smith" in the space provided and follow the other procedures specified on the form for appointing a proxyholder other than one of the individuals specified on the form.

Non-Registered Unitholders should communicate their voting instructions well in advance of the deadline for the receipt of proxies of 5:00 p.m. (Toronto time) on Tuesday, May 2, 2006 in order to allow their instructions to be processed before the deadline.

EXERCISE OF DISCRETION BY PROXIES

The units represented by a properly completed proxy will be voted or withheld from voting on any ballot that may be conducted at the Meeting or at any adjournment or postponement of the Meeting in accordance with the instructions on the proxy. **In the absence of instructions, those units will be voted FOR each of the matters referred to in the proxy.**

The accompanying form of proxy is for use by Unitholders and confers discretionary authority on the persons named in the form of proxy to vote on any amendments to or variations of the matters identified in the Notice of Meeting and on other matters, if any, which may properly be brought before the Meeting or any adjournment or

postponement of the Meeting. As at April 5, 2006, the date of the Notice of Meeting, management of the Trust does not know of any amendments, variations or other matters to be brought before the Meeting. However, if any other matters should properly be brought before the Meeting or any adjournment or postponement of the Meeting, the units represented by that proxy will be voted on those matters in accordance with the judgement of the person named as proxyholder in the proxy.

DOCUMENTS AVAILABLE UPON REQUEST

A copy of the following documents will be made available to any person upon request to the Chief Financial Officer of the Trust: (a) the most recent annual information form of the Trust, together with any documents incorporated by reference therein; (b) the most recent annual report of the Trust containing the Trust's audited comparative financial statements for the year ended December 31, 2005; (c) any interim financial statements of the Trust filed with Canadian securities regulators for any period after December 31, 2005; and (d) the management information circular of the Trust in respect of the most recent annual meeting of unitholders of the Trust. The Trust will provide these documents to securityholders without charge and may require a person making a request who is not a security holder to pay a reasonable charge for providing these documents.

VOTING SECURITIES AND PRINCIPAL HOLDER

Description of REIT Units

The amended and restated declaration of trust governing Dundee REIT (the "Declaration of Trust") authorizes the issuance of an unlimited number of two classes of units: REIT units and special trust units ("Special Trust Units"). The REIT units are issuable in two series: REIT Units, Series A and REIT Units, Series B. As at March 14, 2006, there were 20,623,546 REIT Units, Series A and no REIT Units, Series B outstanding.

Special Trust Units may only be issued to holders of certain limited partnership units of Dundee Properties Limited Partnership ("Dundee Properties LP"), the Trust's principal operating subsidiary, and allow persons holding those limited partnership units to vote on matters relating to the Trust. As at March 14, 2006, there were 8,337,365 Special Trust Units outstanding. Each REIT Unit, Series A (also referred to in this Management Information Circular as a "Unit" and collectively as the "Units") and Special Trust Unit entitles the holder of record to one vote per unit on each matter to be acted upon at the Meeting. In this Management Information Circular, REIT Units, Series A, REIT Units, Series B and Special Trust Units are referred to collectively as "REIT Units".

Record Date

The trustees of the Trust have fixed March 27, 2006 as the record date for the determination of holders of REIT Units entitled to receive notice of and vote at the Meeting. REIT Unit holders of record at the close of business on March 27, 2006 will be entitled to vote at the Meeting and at all adjournments and postponements of the Meeting, even if they have disposed of their REIT Units since the record date.

Table 1 – Principal Unitholder

Name and Municipality of Residence	Number and Class of Units	Percentage of Outstanding Class
Dundee Realty Corporation and Dundee Consolidated Properties (a limited partnership of which Dundee Realty Corporation is the sole general partner)	8,337,365 Special Trust Units	100% (representing 29% of the outstanding voting securities of the Trust)
Toronto, Ontario	441,754 Units	2% (representing 1.5% of the outstanding voting securities of the Trust)

Management understands that the Units registered in the name of CDS & Co. are beneficially owned through various dealers and other intermediaries on behalf of their clients and other parties. The names of the beneficial owners of such Units are not known to the Trust.

Accordingly, any holder acquiring REIT Units after the record date will not be entitled to receive notice of and vote at the Meeting.

Principal Unitholder

To the knowledge of the trustees and senior officers of the Trust, the only person, firm or corporation which beneficially owns, directly or indirectly, or exercises control or direction over, voting securities of the Trust carrying more than 10% of the voting rights attached to any class of outstanding voting securities of the Trust is as outlined in the table below. Dundee Realty Corporation is a subsidiary of Dundee Corporation, a corporation controlled by Ned Goodman of Innisfil, Ontario.

Except as set out above, the trustees and officers of the Trust have no knowledge of any person or corporation which owns or exercises control or direction over more than 10% of the outstanding Units of the Trust.

PART II – BUSINESS OF THE MEETING

FINANCIAL STATEMENTS

The audited consolidated financial statements of the Trust for the financial year ended December 31, 2005 are included in the annual report of the Trust, which has been mailed to unitholders together with this Management Information Circular.

ELECTION OF TRUSTEES

Pursuant to the Declaration of Trust, Dundee REIT may have between five and 12 trustees at any given time, and a majority of the trustees must be resident Canadians. Dundee REIT currently has 10 trustees. Pursuant to the Declaration of Trust, Dundee Corporation is entitled to appoint up to one less than a majority of the trustees, provided that Dundee Corporation and its affiliates maintain an ownership interest in the Trust at a certain level. The remaining trustees are to be elected by unitholders. Dundee Corporation is also entitled to vote its Special Trust Units for the election of the remaining trustees. Pursuant to the Declaration of Trust, Dundee REIT's Chief Executive Officer and/or President may not be

appointed as a trustee by Dundee Corporation, but may be elected as a trustee by unitholders.

Dundee Corporation has opted to appoint only two trustees, whose names are set forth below in Table 3. Accordingly, unitholders will be asked to elect eight of the 10 trustees for the ensuing year. The persons named in the form of proxy which accompanies this Management Information Circular intend to vote for the election of the eight nominees whose names are set forth in Table 2 below, unless the Unitholder who has given the proxy has directed that the units represented by the proxy be withheld from voting in respect of the election of trustees of the Trust.

Management of the Trust does not contemplate that any of the eight nominees listed below will be unable to serve as a trustee of the Trust for the ensuing year. However, if that should occur for any reason prior to the Meeting or any adjournment or postponement of the Meeting, the persons named in the form of proxy which accompanies this

Management Information Circular intend to vote for the election of the remaining nominees and may vote for the election of a substitute nominee in their discretion. Other than the nominees of Dundee Corporation, trustees will hold office for a term expiring at the conclusion of the next annual meeting of unitholders of the Trust or until their successors are elected or appointed and will be eligible for re-election. Nominees of Dundee Corporation will hold office for a term expiring at the next annual meeting unless removed prior to that meeting at the direction of Dundee Corporation. A trustee appointed by the trustees between meetings of unitholders or to fill a vacancy will be appointed for a term expiring at the conclusion of the next annual meeting or until his or

her successor is elected or appointed and will be eligible for election or re-election.

Table 2 below sets forth the names of the eight nominees to be elected by unitholders, their position with the Trust, their principal occupation or employment, the date upon which they became a trustee of the Trust, the approximate number of units beneficially owned by them, directly or indirectly, or over which control or direction is exercised by them and information regarding the number of meetings attended in 2005. All of the individuals set forth in Table 2 are residents of Ontario, Canada, other than Mr. Bierbaum and Dr. Bautz, who are residents of Germany.

APPOINTMENT OF AUDITOR

Unitholders are being asked to approve the appointment of PricewaterhouseCoopers LLP, Chartered Accountants, as the auditor of the Trust and the Trust's subsidiaries for the ensuing year and to authorize the trustees of the Trust to fix the

remuneration of the auditor. The Trust's subsidiaries are Dundee Properties Operating Trust A, Dundee Properties Operating Trust B and Dundee Properties LP. PricewaterhouseCoopers LLP was initially appointed as the auditor of the Trust on June 23, 2003.

PART III – GOVERNANCE

TRUSTEES' AND OFFICERS' LIABILITY INSURANCE

Dundee REIT carries trustees' and officers' liability insurance with an annual aggregate policy limit of \$10,000,000. Under this insurance coverage, the Trust is reimbursed for payments made under indemnity provisions on behalf of trustees and officers contained in the Declaration of Trust, and pursuant to individual indemnity agreements between Dundee REIT and each officer and trustee (the "Indemnities") subject to a deductible payable by the Trust of \$250,000 for securities claims and \$150,000 for all other claims. The Declaration of Trust and the Indemnities provide for the indemnification in certain circumstances of trustees and officers from and against liability and costs in respect of any action or suit against them in respect of the execution of their duties of office.

GOVERNANCE PRACTICES

The Trust is committed to maintaining high standards of governance. The Trust has continued to refine its governance practices in light of Canadian regulatory initiatives, particularly National Policy 58-201 – *Corporate Governance Guidelines* ("NP 58-201") and Multilateral Instrument 52-110 – *Audit Committees* ("MI 52-110"). The Trust's governance practices are disclosed below in

accordance with National Instrument 58-101 – *Disclosure of Corporate Governance Practices* ("NI 58-101"). The Board will continue to review the Trust's governance practices on an ongoing basis in response to evolving regulatory standards.

Board of Trustees

Trustee Independence

The Board has determined that six of the 10 individuals standing for election or appointment as trustees at the Meeting are independent within the meaning of NI 58-101. The following individuals are not independent: Mr. Cooper, who is Vice Chairman and Chief Executive Officer of the Trust; Mr. Don Charter, who has been, within the last three years, an executive officer of Dundee Corporation; Mr. David Goodman, who is an executive officer of Dundee Corporation; and Mr. Ned Goodman, who is Chairman of the Board and an executive officer of Dundee Corporation.

The Governance and Environmental Committee of the Board participates in the determination of trustee independence and makes recommendations to the Board. The determinations are based on information concerning the personal, business and other relationships and dealings between the trustees and the Trust, its affiliates and auditors.

The Board has a preference for an independent, non-executive Chair of the Board, but is prepared to consider exceptions when that would be in the best interests of the Trust. The current Chair of the Board is not an independent trustee. However, in order to provide leadership for independent trustees, an independent trustee will, as required from time to time, chair meetings of independent trustees and assume other responsibilities. For instance, in 2005, the independent trustees held three meetings to discuss and approve certain matters to be voted on as special business at the annual and special meeting of unitholders held on May 5, 2005. Mr. Crossgrove acted as Chair of these meetings. Although the independent trustees do not hold regularly scheduled meetings, a meeting of independent trustees may be called whenever an issue arises which requires consideration by independent trustees.

Board Mandate

The Board is responsible for the stewardship of the activities and affairs of the Trust. The Board seeks to discharge this responsibility by reviewing, discussing and approving the Trust's strategic planning and organizational structure and supervising management to ensure that the strategic planning and organizational structure enhance and preserve the business of the Trust and the underlying value of the Trust. The text of the Board's mandate is attached as Schedule A to this Management Information Circular.

Position Descriptions

The Board has adopted position descriptions for each of the Chair of the Board and the Chief Executive Officer of the Trust.

The primary responsibility of the Chair of the Board is to provide leadership to the Board and to enhance Board effectiveness. The position description for the Chair sets out the responsibilities and duties of the Chair, including: overseeing the Board's discharge of its duties; taking steps to foster the Board's understanding of its responsibilities and boundaries with management; overseeing the responsibilities delegated to all Board committees; assisting in reviewing and monitoring the long term business plan, strategies and policies of the Trust's operating subsidiary and the achievement of its objectives; establishing procedures to govern the effective and efficient conduct of the Board's work; scheduling meetings of the Board and working with committee chairs to co-ordinate the schedule of meetings for committees; organizing and presenting agendas for Board meetings based on input from trustees and management; overseeing the distribution of information to the Board in a manageable form and sufficiently in advance of meetings; presiding over Board meetings and conducting meetings in an

efficient, effective and focussed manner; and chairing meetings of the Trust's unitholders.

The primary responsibility of the Chief Executive Officer is to lead the Trust by providing a strategic direction that includes the development and implementation of plans, policies, strategies and budgets for the growth and profitable operation of the Trust. The position description for the Chief Executive Officer sets out specific responsibilities, including: seeing that the day-to-day activities and affairs of the Trust are appropriately managed; recommending to the Board and, following their approval by the Board, consistently striving to achieve the Trust's financial and other goals and objectives; overseeing the Trust's achievement and maintenance of a satisfactory competitive position within the real estate industry; overseeing and taking steps to enhance where necessary reliable internal control systems; fulfilling all responsibilities as assigned by the Board, in the manner expected by the Board; taking steps to build an effective management team below the level of the Chief Executive Officer and overseeing the Trust's active plan for management's development and succession; fostering a culture that promotes ethical practices and encourages individual integrity; maintaining a positive and ethical work climate that is conducive to attracting, retaining and motivating a diverse group of top-quality employees at all levels; and serving as the chief spokesperson for the Trust.

Orientation and Continuing Education

New trustees are given the opportunity to individually meet with senior executive officers of the Trust to improve their understanding of the Trust's operations. Tours of certain properties may also be arranged for interested trustees. New trustees are provided with a package of materials containing, among other things, a copy of the Declaration of Trust, reference materials describing the Trust's organizational structure, the structure of the Board and its committees and a copy of the Board's mandate. New trustees are briefed on matters such as the Trust's reporting structure, strategic plans, significant financial, accounting and risk issues, management and the external auditors. Prior to agreeing to join the Board, new trustees are given a clear indication of the workload and time commitment required.

On an ongoing basis, trustees are given presentations on various aspects of the Trust's activities and functions during regularly scheduled Board meetings. In addition, all trustees regularly receive information on Dundee Properties LP's operations, a financial overview and other pertinent information. All trustees have open access to the Trust's senior management. Reading materials on topics relevant to the real estate industry, as well as

governance and compliance matters, are included from time to time in the materials provided to trustees for meetings. Trustees identify their continuing education needs through a variety of means, including discussions with management and at Board and committee meetings. Suggested reading materials are also identified by the Chair of the Board and committee chairs.

Ethical Business Conduct

The Trust has adopted a code of conduct that serves as a statement of the values and principles that guide trustees, officers and employees of the Trust and its subsidiaries and related entities in their day-to-day business activities. The code of conduct sets out procedures for monitoring compliance with the code, describes the measures designed to ensure that the trustees exercise independent judgment in considering transactions and agreements in respect of which a trustee, officer or employee has a material interest, and describes other steps taken to encourage and promote a culture of ethical business conduct. For instance, if, at any Board meeting, a trustee or officer has a material interest in a matter being considered, such trustee or officer will not be present for discussions relating to the matter and will not participate in any vote on the matter. A copy of the code of conduct of the Trust is available on the SEDAR website at www.sedar.com, and on the Trust's website at www.dundereit.com.

The Trust has also adopted a whistleblower policy which allows officers and employees to bring forward, on a confidential and anonymous (if desired) basis, concerns or complaints regarding unethical or fraudulent business practices or any activity that could give rise to a financial concern.

The Board believes that providing a forum for employees and officers to raise concerns about ethical conduct and treating all complaints with the appropriate level of seriousness fosters a culture of ethical conduct within the Trust.

Board Committees

The Board has four committees: the Audit Committee, the Compensation Committee, the Governance and Environmental Committee and the Investment Committee. Each committee has a written charter that sets out the role and responsibilities of its members. These charters are reviewed annually to ensure they reflect best practices for the Trust as well as applicable regulatory requirements and guidelines.

The corporate governance guidelines in NP 58-201 recommend that an issuer's nominating committee and compensation committee be composed entirely of "independent" directors, within the meaning of NI 58-101. The Declaration of Trust also requires that

committees of the trustees, other than the Investment Committee, be composed of a majority of "Independent Trustees". As defined in the Declaration of Trust, an "Independent Trustee" is any trustee who is not or has not been an employee of Dundee Corporation or any affiliate of Dundee Corporation at any time or who is not directly employed by Dundee REIT or any of its affiliates.

The members of the Audit Committee are: Messrs. Bautz, Crossgrove and Goodall, with Mr. Crossgrove being the Chair. Each of these trustees is "independent" within the meaning of MI 52-110 and is an "Independent Trustee" for the purposes of the Declaration of Trust.

The members of the Compensation Committee are: Messrs. Crossgrove, Goodall and Ned Goodman, with Mr. Goodall being the Chair. Messrs. Crossgrove and Goodall are "independent" within the meaning of NI 58-101 and Independent Trustees for the purposes of the Declaration of Trust.

The members of the Governance and Environmental Committee are: Messrs. Bierbaum, Crossgrove, Jackman and Tweedy, with Mr. Crossgrove being the Chair. Each of these trustees is "independent" within the meaning of NI 58-101 and is an "Independent Trustee" for the purposes of the Declaration of Trust.

The members of the Investment Committee are: Messrs. Bierbaum, Cooper and Ned Goodman, with Mr. Ned Goodman being the Chair.

Audit Committee

The Audit Committee assists the Board in fulfilling its oversight responsibilities with respect to financial reporting, including: (i) the integrity of the Trust's financial statements and financial reporting process, including the audit process and the Trust's internal accounting controls and procedures; (ii) compliance with related legal and regulatory requirements; (iii) the qualifications and independence of the external auditors; (iv) the work of the Trust's external auditors engaged for the purpose of preparing or issuing an auditor's report or performing other audit, review or attest services for the Trust; and (v) the performance of the Trust's management and external auditors in these areas.

Each member of the Audit Committee is "financially literate" within the meaning of MI 52-110.

Additional information relating to the Audit Committee and a copy of the Audit Committee's charter is set out in the latest annual information form of Dundee REIT.

Compensation Committee

The Compensation Committee is responsible for annually reviewing and making recommendations to

the Board with respect to the compensation of trustees, the Chief Executive Officer, the President and the Chief Financial Officer of the Trust and any other officers of the Trust and such other employees of and consultants to the Trust and members of management as may be identified to the committee by the Board (collectively, "Management").

The committee has the authority to retain consultants to advise the committee and to assist in carrying out the committee's responsibilities, including determining the compensation of the Chief Executive Officer and other Management, although the Committee did not exercise such authority in 2005.

The committee annually reviews and recommends to the Board the terms upon which trustees, the Chair of the Board and the committee chairs are compensated (including the level and nature of such compensation) to ensure that such compensation adequately reflects the responsibilities they are assuming.

The Committee also annually reviews, assesses and approves the compensation package of the Chief Executive Officer and each member of Management. In conducting such review, the committee considers: (i) the compensation packages of the Chief Executive Officer and Management for the prior year, (ii) the committee's evaluation of the performance of the Chief Executive Officer and the Chief Executive Officer's evaluation of the performance of Management, (iii) the Trust's performance and relative unitholder's return, (iv) whether the compensation package reflects an appropriate balance between short and longer-term incentives to improve performance of the Trust, (v) the competitiveness of the compensation package, including the value of similar incentive awards paid to equivalent officers and positions at comparable real estate companies and REITs, and (vi) the awards given to the Chief Executive Officer and Management in previous years.

The Compensation Committee also assists the Board in reviewing and approving any employment contracts or arrangements with the Chief Executive Officer and Management, including any retiring allowance arrangements, severance payments or any similar arrangements to take effect in the event of a termination of employment and any change of control agreements.

The committee reviews and makes recommendations to the Board with respect to compensation policies and processes and any incentive compensation and equity compensation plans of the Trust or changes to such plans and, in particular, the compensation policies, processes and plans respecting the Chief Executive Officer and Management.

The committee is also responsible for administering the Trust's Deferred Unit Incentive Plan. The committee makes recommendations as to whom should receive grants of deferred units and the terms of such grants, the overall level of outstanding deferred units and changes to the plan.

The committee periodically reviews with the Chair of the Board and the Chief Executive Officer the succession plans relating to the position of the Chief Executive Officer of the Trust (including in respect of an unexpected incapacitation of the Chief Executive Office) and other senior positions and makes recommendations to the Board with respect to the selection of individuals to occupy these positions.

Governance and Environmental Committee

The Governance and Environmental Committee performs a number of functions: it assists the Board in developing the Trust's approach to governance, including overseeing and assessing the functioning of the Trust, the Board and the committees of the Board; it identifies qualified candidates for trustees (other than those trustees considered to be appointees of Dundee Corporation) and recommends those candidates to the Board for election at the next annual meeting of unitholders; and it reviews the environmental state of any real property owned by Dundee Properties LP and establishes formal policies and procedures to review and monitor environmental exposure of the Trust and its subsidiaries.

The Governance and Environmental Committee is responsible for identifying and recommending to the Board suitable trustee candidates. In undertaking this responsibility, the Committee: (i) reviews from time to time the size of the Board, with a view to facilitating effective decision making; (ii) develops and reviews periodically standards to be applied in making determinations as to the presence or absence of material relationships between a trustee and the Trust; (iii) considers what competencies and skills the Board, as a whole, should possess and reviews annually the competencies, skills and personal qualities required of a trustee in order to add value to the Trust, in light of: (A) the opportunities and risks facing the Trust and the Trust's proposed strategy; (B) the need to ensure that a majority of the Board is comprised of independent trustees; and (C) the Trust's governance guidelines and Board policies with respect to trustee tenure, retirement and succession and the number of boards on which a trustee may sit; (iv) reviews periodically the competencies, skills and personal qualities of each existing trustee, and the contributions made by the trustee to the effective operation of the Board as a group; and (v) reviews any significant change in the primary occupation of the trustee.

The committee is also responsible for, among other things: establishing, approving and periodically reviewing the Trust's code of conduct, granting any waivers from the application of the code and overseeing management's monitoring of compliance with the code; overseeing the Board and trustee evaluation process; monitoring and assessing the relationship between the Board and management; defining the limits of management's responsibilities; and making such recommendations as it may deem necessary with a view to ensuring that the Board is able to function independently of management.

Investment Committee

The Investment Committee assists the Board in discharging the Board's oversight responsibilities relating to acquisitions and dispositions of investments, proposed transactions and financing arrangements.

Each member of the committee must have a minimum of three years of substantial experience in the real estate industry which may include, without limitation, having been a board member or senior officer of a real estate company.

The approval of the committee is required in order for Dundee Properties GP Inc. to approve or authorize any investments, acquisitions or dispositions by Dundee Properties LP having a purchase or investment price greater than \$5,000,000, net of assumed or arranged mortgage debt, if any. In addition, the committee must approve or reject any financing (including the assumption or

granting of any mortgage relating to such financing) proposed to be obtained by Dundee Properties LP where the dollar amount or value of the financing (net of assumed or pre-arranged debt which is non-recourse to Dundee Properties LP) is greater than \$35 million, other than a renewal of any existing mortgage by any of the Trust's subsidiary entities.

Assessment of Trustees

The Governance and Environmental Committee evaluates the performance of: the Chair of the Board; the chair of each committee; the performance and contribution of individual trustees, having regard to the Board's mandate; the position description for the Chair of the Board and the Chief Executive Officer; the charter for each committee of the Board; the results of annual surveys of the trustees; attendance at Board and committee meetings; and the overall contribution, competencies and skills each individual trustee is expected to bring to the Board.

The committee annually assesses the effectiveness of the Board as a whole and each committee of the Board, having regard for the mandate of the Board and the charter of each Board committee, and makes recommendations to the Board. The Governance and Environmental Committee may conduct annual surveys of trustees with respect to their views on the effectiveness of the Board, the Chair of the Board, each committee of the Board and its chair and the contribution of individual trustees.

PART IV – COMPENSATION AND OTHER INFORMATION

COMPENSATION OF TRUSTEES AND OTHER INFORMATION

The compensation of the trustees, other than trustees who are also employees, is \$20,000 per year plus a meeting fee of \$1,500 per day for each meeting of the board of trustees or a committee thereof attended in person or via telephone conference. The trustees of Dundee REIT are also reimbursed for their out-of-pocket expenses incurred in acting as a trustee. The Chairman of the board of trustees, if not an employee of Dundee REIT or one of its subsidiaries, receives an annual fee of \$100,000, but does not receive any other fees for board or committee meetings attended. The chair of each committee (other than the chair of the Investment Committee when it is a committee of the board as a whole), if not an employee of Dundee REIT or one of its subsidiaries, receives an additional annual fee of \$5,000. In addition, trustees are entitled to receive remuneration for services rendered to Dundee REIT in any other capacity, except in respect of their service as trustees or

directors of any of Dundee REIT's subsidiaries. Trustees who are employees of and who receive salary from Dundee REIT are not entitled to receive any remuneration for their services in acting as trustees, but are entitled to reimbursement of their out-of-pocket expenses incurred in acting as trustees.

For the financial year ended December 31, 2005, non-management trustees were paid fees totaling approximately \$378,500. In addition, non-management trustees are entitled to receive Deferred Trust Units and Income Deferred Trust Units under the Trust's Deferred Unit Incentive Plan, which is described in this Management Information Circular under "Statement of Executive Compensation – Deferred Unit Incentive Plan". On November 10, 2005, non-management trustees were granted an aggregate of 13,000 Deferred Trust Units (based on a closing price for the REIT Units, Series A of \$25.67). An aggregate of 94.05 Income Deferred Trust Units were credited to non-management trustees in 2005 relating to the

Deferred Trust Units granted to them on November 10, 2005. In addition, an aggregate of 1,168.64 Income Deferred Trust Units were credited to non-management trustees in 2005 relating to the Deferred Trust Units granted to them on September 16, 2004 and 2,764.33 Income Deferred Trust Units were credited to non-management trustees in 2005 relating to the Deferred Trust Units granted to them on September 22, 2003. Each of the non-management trustees elected to defer the issuance of REIT Units, Series A on the vesting of his Deferred Trust Units and related Income Deferred Trust Units on September 16, 2005 and September 22, 2005 in accordance with the terms of the plan.

Cooper and Knowlton, respectively, in 2005.

Employment Agreements

The employment agreement of Michael J. Cooper, originally entered into with Dundee Realty Corporation and assumed by Dundee REIT on June 30, 2003, has an original five year term terminating on December 31, 2004, and renews automatically for successive three year periods unless terminated by the Trust or by Mr. Cooper on three months' notice. The agreement entitles Mr. Cooper to receive a lump sum payment of \$1.5 million if Mr. Cooper is terminated other than by reason of death, disability or voluntary resignation. In addition, the agreement provides that Mr. Cooper has the right to elect that

there has been a termination in his employment and to receive the lump sum payment of \$1.5 million upon (i) any material diminution of his compensation, duties or responsibilities, (ii) the Trust's failure to comply with any material term of the agreement, or (iii) the Trust's failure to obtain the assumption of the agreement by any successor upon a change of control.

J. Michael Knowlton does not have an employment agreement with Dundee REIT. However, the Board has approved and awarded a special bonus of \$1.0 million to Mr. Knowlton, payable in cash or Deferred Trust Units, to be payable on June 30, 2008. The

bonus will only be payable if Mr. Knowlton remains an employee of Dundee REIT continuously to such date. Should Mr. Knowlton be terminated for any reason, the amount of the special bonus will be paid to Mr. Knowlton in full, but the unearned portion of the bonus (pro-rated from July 1, 2003 to June 30, 2008) will be applied against any severance amounts that would otherwise be paid to Mr. Knowlton. In the event that Dundee REIT undergoes a change of control, the full amount of the special bonus will become immediately due and payable. In addition, the full amount of the special bonus will become immediately due and payable if, as a result of a major corporate transaction, Mr. Knowlton is subsequently terminated without cause.

Deferred Unit Incentive Plan

The Trust has a deferred unit incentive plan (the "Deferred Unit Incentive Plan") in which Eligible Individuals may participate. "Eligible Individuals" under the Deferred Unit Incentive Plan consist of (i) the trustees and officers of Dundee REIT, (ii) employees of Dundee REIT or any of its affiliates, and (iii) employees of certain service providers who spend a significant amount of time and attention on the affairs and business of one or more of Dundee REIT and its affiliates. The Deferred Unit Incentive Plan provides for the grant to Eligible Individuals of deferred trust units ("Deferred Trust Units") and income deferred trust units ("Income Deferred Trust Units"). Income Deferred Trust Units are credited to holders of Deferred Trust Units and Income Deferred Trust Units based on distributions paid by Dundee REIT on REIT Units.

Up to a maximum of 500,000 Deferred Trust Units and Income Deferred Trust Units are issuable under the Deferred Unit Incentive Plan. This represents approximately 2% of the Trust's outstanding Units and outstanding REIT Units. As of March 14, 2006, a total of 248,803 Deferred Trust Units and Income Deferred Trust Units had been granted (or credited, in the case of Income Deferred Trust Units) under the Deferred Unit Incentive Plan. This represents approximately 1% of the Trust's outstanding Units outstanding REIT Units. As of the same date, a total of 24,953 Units had been issued on the vesting of Deferred Trust Units and Income Deferred Trust Units pursuant to the plan. This represents approximately 0.1% of the Trust's outstanding Units outstanding REIT Units.

Under the Deferred Unit Incentive Plan, Deferred Trust Units may be granted from time to time to Eligible Individuals at the discretion of the trustees. The number of Income Deferred Trust Units credited to a holder of Deferred Trust Units and/or Income Deferred Trust Units will be calculated by multiplying the aggregate number of Deferred Trust Units and Income Deferred Trust Units held on the relevant

distribution record date by the amount of distributions paid by the Trust on each Unit, and dividing the result by the market value of the Units on the distribution payment date. Market value for this purpose is the weighted average closing price of the Units on the Toronto Stock Exchange for the five trading days immediately preceding the relevant distribution payment date.

Deferred Trust Units will vest on either a five year or a three year vesting schedule. Deferred Trust Units granted to an Eligible Individual who is an employee of Dundee REIT or any of its affiliates or an officer or trustee of Dundee REIT (a "Five Year Grantee"), will vest on a five year vesting schedule, pursuant to which one-fifth of the Deferred Trust Units granted to such individual will vest on each anniversary of the grant date for a period of five years. Deferred Trust Units granted to any other Eligible Individual will vest on a three year vesting schedule, pursuant to which one-third of the Deferred Trust Units granted to such individual will vest on each anniversary of the grant date for a period of three years. Income Deferred Trust Units credited to participants in the Deferred Unit Incentive Plan ("Plan Participants") vest on the same five or three year schedule as their corresponding Deferred Trust Units and are issued on the same date as the Deferred Trust Units or Income Deferred Trust Units in respect of which they were credited.

Upon the vesting of Deferred Trust Units and Income Deferred Trust Units, Dundee REIT will issue Units to Plan Participants on the basis of one Unit for each Deferred Trust Unit and Income Deferred Trust Unit that has vested. Units are issued by Dundee REIT at no cost to Plan Participants. Five Year Grantees have the ability to elect to defer the issuance of Units to them on the vesting of their Deferred Trust Units and Income Deferred Trust Units in respect of any vesting date. The issuance of Units to Five Year Grantees may be deferred indefinitely, unless the Five Year Grantee's employment or term of office is terminated, in which case Units will be issued on the relevant date of termination of employment or term of office.

Any unvested Deferred Trust Units or Income Deferred Trust Units held by an Eligible Individual will be forfeited if the employment or term of office of the individual is terminated for any reason, whether voluntarily or involuntarily. However, pursuant to the Deferred Unit Incentive Plan, the trustees may, in their discretion if the circumstances warrant, accelerate the vesting of such units held by an individual whose employment or term of office is terminated. In these circumstances, any unvested Deferred Trust Units or Income Deferred Trust Units will vest effective upon the termination date of the individual, or on such later date or dates determined by the Compensation Committee of the trustees of

Dundee REIT in its discretion. The Deferred Unit Incentive Plan was amended effective in 2004 to provide the Compensation Committee with this discretion to determine such later date or dates on which unvested deferred units may vest. Unitholder approval of this amendment was not required by the Toronto Stock Exchange, since this amendment was not a material amendment to the Deferred Unit Incentive Plan within the meaning of the then-existing rules of that exchange. In addition, the trustees can accelerate the vesting of, or make other arrangements with respect to, Deferred Trust Units and Income Deferred Trust Units if Dundee REIT undergoes a change of control.

Deferred Trust Units and Income Deferred Trust Units are non-transferable, except to a Plan Participant's estate, and the rights of Plan Participants under the Deferred Unit Incentive Plan are not assignable, except as required by law.

The Compensation Committee of the trustees of Dundee REIT may review and confirm the terms of the Deferred Unit Incentive Plan from time to time and may amend or suspend the Deferred Unit Incentive Plan in whole or in part as well as terminate the Deferred Unit Incentive Plan without prior notice as it deems appropriate. However, subject to the terms of the Deferred Unit Incentive Plan, no amendment may adversely affect the Deferred Trust Units or Income Deferred Trust Units previously granted under the Deferred Unit Incentive Plan without the consent of the affected Plan Participant.

The following table provides information regarding the Trust's Deferred Unit Incentive Plan, being the only equity compensation plan of the Trust. Information is provided as of December 31, 2005.

Report on Executive Compensation

The primary goal of the Compensation Committee is to ensure that the overall compensation provided to the executive officers of the Trust is determined with regard to the business strategies and objectives of the Trust, such that the financial interest of the executive officers of the Trust is consistent with the financial interest of the unitholders of the Trust. The Trust seeks to attract and retain top quality executives by providing total compensation that is competitive with that paid by other real estate investment trusts and corporations of comparable size. The principal components of the executive compensation program of the Trust are base salary and annual and long-term incentives.

Base Salary

The Compensation Committee approves the base salaries for each of the executive officers of the Trust on an individual basis, taking into consideration the past, current and potential contribution to the success of the Trust, the position and responsibilities of the executive officers and competitive industry pay practices for other real estate investment trusts and corporations of comparable size.

Annual Incentives

The executive officers are eligible to be paid an annual bonus in an amount to be determined by the Compensation Committee based on qualitative and quantitative performance standards established and approved at the beginning of each financial year. The maximum bonus payable to Mr. Cooper is 100% of his annual salary, while the maximum bonus payable to each of the other executive officers is 70% of their respective salaries.

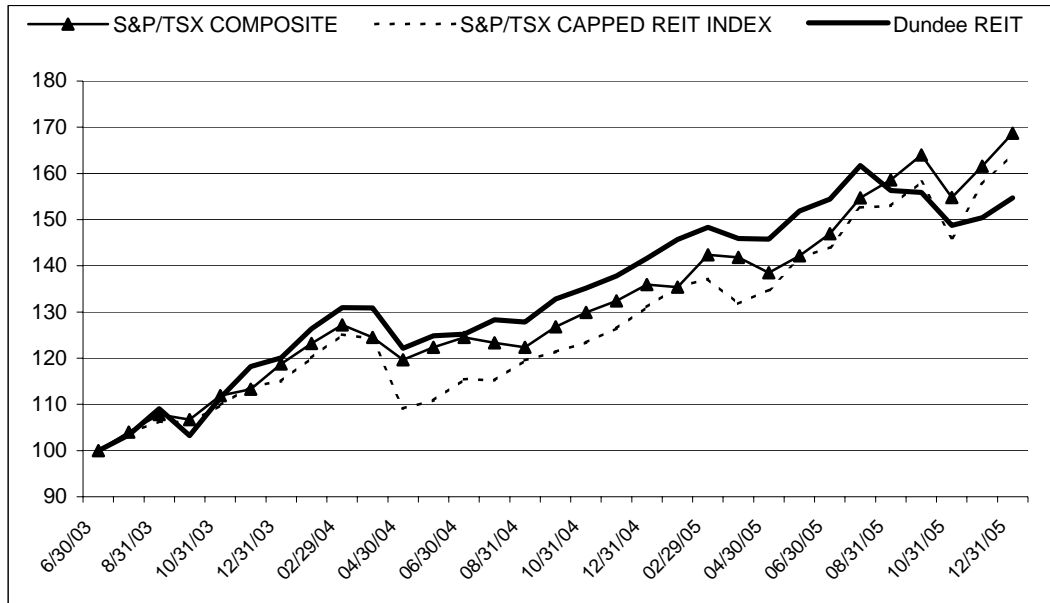

Long Term Incentives

The Deferred Unit Incentive Plan is designed to promote a greater alignment of interests between management of the Trust and unitholders. See "Deferred Unit Incentive Plan" in this Management Information Circular. The trustees, acting on the recommendation of the Compensation Committee, may designate individuals eligible to receive grants of Deferred Units which vest over a period of time. In determining grants of Deferred Trust Units, an individual's performance and contributions to the Trust's success, relative position, tenure and past grants are taken into consideration.

The current members of the Compensation Committee have provided the foregoing report.

SCHEDULE A

MANDATE FOR THE BOARD OF TRUSTEES

Pursuant to the amended and restated Declaration of Trust of the Trust dated June 14, 2005, the Trust may have a board of trustees (the “**Board**”) consisting of between five and 12 trustees at any give time, although a majority of the trustees must be resident Canadians. Dundee Corporation is entitled to appoint up to one less than a majority of the trustees, provided that Dundee Corporation maintains a beneficial ownership interest in the Trust above a certain level. The remaining trustees are elected by the holders of REIT Units, Series A of the Trust, REIT Units, Series B of the Trust and Special Trust Units (collectively, the “**Unitholders**”). Although trustees may be appointed by Dundee Corporation or elected by the Unitholders to bring special expertise or a point of view to Board deliberations, they are not chosen to represent a particular constituency. The best interests of the Trust must be paramount at all times.

DUTIES OF TRUSTEES

The Board is responsible for the stewardship of the activities and affairs of the Trust. The Board seeks to discharge such responsibility by reviewing, discussing and approving the Trust’s strategic planning and organizational structure and supervising management to oversee that the strategic planning and organizational structure enhance and preserve the business of the Trust and the underlying value of the Trust.

The Board discharges its responsibility for overseeing the management of the Trust’s activities and affairs by delegating to the Trust’s senior officers the responsibility for day-to-day activities of the Trust. Investments and other expenditures above the specified limits, and material transactions outside the ordinary course of business are reviewed by and are subject to the prior approval of the Board.
3. The Board oversees that succession planning programs are in place, including programs to train and develop management.

Board Organization

4. The Board will respond to recommendations received from the Governance and Environmental Committee and the Compensation Committee, but retains responsibility for managing its own affairs by giving its approval for its composition and size, the selection of the Chair of the Board, candidates nominated for election to the Board, committee and committee chair appointments, committee charters and director compensation.
5. The Board may delegate to Board committees matters it is responsible for, including the approval of compensation of the Board and management, the conduct of performance evaluations and oversight of internal controls systems, but the Board retains its oversight function and ultimate responsibility for these matters and all other delegated responsibilities.

Strategic Planning

6. The Board has oversight responsibility to participate directly, and through its committees, in reviewing, questioning and approving the mission of the Trust and its objectives and goals.
7. The Board is responsible for reviewing the business, financial and strategic plans by which it is proposed that the Trust may reach those goals.

8. The Board is responsible for providing input to management on emerging trends and issues and on strategic plans, objectives and goals that management develops.
9. The Board will consider alternate strategies in response to possible change of control transactions or take-over bids with a view to maximizing value for Unitholders.

Monitoring of Financial Performance and Other Financial Reporting Matters

10. The Board is responsible for enhancing congruence between Unitholder expectations, Trust plans and management performance.
11. The Board is responsible for:
