SHORT FORM PROSPECTUS

New Issue

August 31, 2009

DUNDEE REAL ESTATE INVESTMENT TRUST

\$61,472,500

3,350,000 REIT Units, Series A

This short form prospectus qualifies the distribution of 3,350,000 REIT Units, Series A (the "Units") of Dundee Real Estate Investment Trust ("Dundee REIT") at a price of \$18.35 per Unit.

Dundee REIT is an unincorporated, open-ended real estate investment trust governed by the laws of Ontario. Our head office is located at 30 Adelaide Street East, Suite 1600, Toronto, Ontario, M5C 3H1.

Our outstanding Units are listed on the Toronto Stock Exchange (the "TSX") under the symbol "D.UN". The closing price of the Units on the TSX on August 19, 2009, prior to Dundee REIT's announcement of this offering, was \$19.19. The TSX has conditionally approved the listing of these Units. Listing is subject to Dundee REIT fulfilling all of the requirements of the TSX on or before November 23, 2009.

PRICE: \$18.35 per Unit

	<u>Price to the Public</u>	<u>Underwriters' Fee</u>	<u>Net Proceeds to Dundee REIT⁽¹⁾</u>
Per Unit.	\$18.35	\$0.734	\$17.616
Total ⁽²⁾	\$61,472,500	\$2,458,900	\$59,013,600

- Notes:
- (1) After deducting the Underwriters' fee but before deducting expenses of this offering, estimated to be \$565,000, which will be paid from the proceeds of this offering. Dundee Properties Limited Partnership will reimburse Dundee REIT for the underwriters' fee and for the expenses of this offering.
 - (2) We have granted the underwriters an option (the "Over-Allotment option"), exercisable in whole or in part for a period of 30 days from the closing of this offering, to purchase up to 502,500 additional Units on the same terms as set forth above solely to cover over-allotments, if any. If the Over-Allotment Option is exercised in full, the total Price to the Public, Underwriters' Fee and Net Proceeds to Dundee REIT will be \$70,693,375, \$2,827,735 and \$67,865,640, respectively. This prospectus qualifies the grant of the Over-Allotment Option and the issuance of Units on the exercise of the Over-Allotment Option. A purchaser who acquires Units forming part of the Underwriters' over-allocation position acquires such Units under this prospectus, regardless of whether the over-allocation position is ultimately filled through the exercise of the Over-Allotment Option or secondary market purchases. See "Plan of Distribution".

The price of the Units offered under this prospectus was established by negotiation between us and TD Securities Inc., Scotia Capital Inc., CIBC World Markets Inc., Dundee Securities Corporation, BMO Nesbitt Burns Inc., RBC Dominion Securities Inc., Brookfield Financial Corp., Desjardins Securities Inc., Genuity Capital Markets, HSBC Securities (Canada) Inc. and National Bank Financial Inc. (collectively, the "Underwriters").

In connection with this offering, the Underwriters may effect transactions that stabilize or maintain the market price of the Units at levels other than those which otherwise might prevail on the open market. **The Underwriters may offer the Units at a price lower than that stated above. See "Plan of Distribution".**

(Continued on next page)

(Continued from front cover)

There are certain risks inherent in an investment in our Units and in our activities. Prospective investors should carefully consider these risk factors before purchasing Units. See “Risk Factors”. In the opinion of counsel, the Units will, on closing of this offering, be qualified investments under the Tax Act for Plans as set out under, and based upon the assumptions set out under, “Eligibility for Investment”.

A return on an investment in Units is not comparable to the return on investment in a fixed income security. The recovery of your investment in Units is at risk, and the anticipated return on your investment in Units is based on many performance assumptions. Although we intend to make distributions of our available cash to holders of Units, these cash distributions may be reduced or suspended, depending on numerous factors disclosed in our continuous disclosure documents. In addition, the market value of the Units may decline if we are unable to meet our cash distribution targets in the future, and that decline may be significant.

It is important for you to consider the particular risk factors that may affect the real estate industry, and therefore the stability of the distributions that holders of Units receive. See, for example, “Risk Factors” in this short form prospectus and “Risks Inherent in the Real Estate Industry May Affect Our Financial Performance” under the section “Risk Factors” in our annual information form dated March 31, 2009. That section also describes our assessment of certain of those risk factors, as well as the potential consequences to you if a risk should occur.

The after-tax return to unitholders from an investment in Units will depend, in part, on the composition for income tax purposes of distributions paid by Dundee REIT on its Units, portions of which may be fully or partially taxable or may constitute tax deferred distributions which are not subject to tax at the time of receipt but reduce a unitholder’s cost base in the Unit for tax purposes. The composition may change over time, thus affecting a unitholder’s after-tax return. Distributions of the taxable income of Dundee REIT are generally taxed as ordinary income in the hands of a unitholder. Distributions in excess of the taxable income of Dundee REIT are generally tax-deferred (and reduce a unitholder’s cost base in the Unit for tax purposes).

We are not a trust company and are not registered under applicable legislation governing trust companies as we do not carry on the business of a trust company. The Units are not “deposits” within the meaning of the *Canada Deposit Insurance Corporation Act* and are not insured under the provisions of that Act or any other legislation.

The Underwriters, as principals, conditionally offer the Units, subject to prior sale, if, as and when issued, sold and delivered by us and accepted by the Underwriters in accordance with the conditions of the Underwriting Agreement referred to under “Plan of Distribution” and subject to the approval of certain legal matters on our behalf by Osler, Hoskin & Harcourt LLP, with respect to securities and other matters, and Wilson & Partners LLP, a law firm affiliated with PricewaterhouseCoopers LLP, with respect to tax matters, and on behalf of the Underwriters by Torys LLP.

Subscriptions will be received subject to rejection or allotment in whole or in part, and the Underwriters reserve the right to close the subscription books at any time without notice. It is anticipated that definitive certificates representing the Units will be available for delivery at closing, which is expected to occur on or about September 9, 2009, or such other date as we and the Underwriters may agree, but in any event no later than October 9, 2009.

FORWARD-LOOKING INFORMATION

This prospectus includes or incorporates by reference certain statements that are “forward-looking information” within the meaning of applicable securities legislation. All statements, other than statements of historical fact, in this prospectus that address activities, events, developments or financial performance that we or a third party expect or anticipate will or may occur in the future, including our future growth, results of operations, performance and business prospects and opportunities, and the assumptions underlying any of the foregoing, are forward-looking statements and constitute forward-looking information. Forward-looking information is based upon a number of assumptions and is subject to a number of risks and uncertainties, many of which are beyond our control, that could cause actual results to differ materially from those that are disclosed in or implied by such forward-looking information. These risks and uncertainties include, but are not limited to: general and local economic and business conditions; the financial condition of tenants; our ability to refinance maturing debt; leasing risks, including those associated with the ability to lease vacant space; our ability to source and complete accretive acquisitions; and interest and currency rate fluctuations; and those that are described under the heading “Risk Factors” in this short form prospectus and under the heading “Risk Factors” in our annual information form dated March 31, 2009.

Although the forward-looking statements contained in this prospectus are based upon what we believe are reasonable assumptions, there can be no assurance that actual results will be consistent with these forward-looking statements. Our material assumptions made in preparing the forward-looking information contained in this prospectus include the assumptions that: the Canadian economy will remain stable; inflation will remain relatively low; interest rates will remain stable; conditions in the real estate market, including competition for acquisitions, estimated rental rates and tenant risk, will be consistent with the current climate; capital markets will continue to provide us with equity and/or debt financing at reasonable rates; and we will continue to maintain our tax status as a REIT under the SIFT Legislation.

All forward-looking information in this short form prospectus speaks as of August 31, 2009. We do not undertake to update any such forward-looking information whether as a result of new information, future events or otherwise, except as required by law. Additional information about these assumptions and risks and uncertainties is contained in our filings with securities regulators, including our latest annual information form, which are available on SEDAR at www.sedar.com. These filings are also available on our website at www.dundeereit.com.

TERMS USED TO DESCRIBE DUNDEE REIT AND ITS ACTIVITIES

Dundee REIT’s investment and operating activities are limited, because our operating activities are carried out by Dundee Properties LP, our principal operating subsidiary. We hold our interest in Dundee Properties LP through two limited partnerships, Partnership A and Partnership B. For simplicity, we use terms in this prospectus to refer to our activities and operations as a whole. Accordingly, in this prospectus, unless the context otherwise requires, when we use terms such as “we”, “us” and “our”, we are referring to Dundee REIT and its subsidiary entities, including trusts and partnerships in which Dundee REIT owns directly or indirectly more than a 50% equity interest. When we use expressions such as “our activities”, we are referring to the activities of Dundee REIT and these subsidiary entities as a whole. When we use expressions such as “our properties”, “our portfolio”, “we own” or “we invest in” in relation to our properties, we are referring to Dundee REIT’s ownership of and investment in our properties indirectly through Dundee Properties LP. When we use expressions such as “we operate” in relation to the operations of Dundee REIT, we are referring to Dundee REIT’s operation through its indirect interest in Dundee Properties LP.

MARKET AND INDUSTRY DATA

Certain market information has been obtained from the CB Richard Ellis MarketView, Second Quarter 2009, a publication prepared by a commercial firm that provides information relating to the real estate industry. Although we believe this information is reliable, the accuracy and completeness of this information is not guaranteed. We have not independently verified this information and make no representation as to its accuracy.

DUNDEE REIT

We are a provider of high quality, affordable business premises. We focus on owning, acquiring, leasing and managing mid-sized urban and suburban office and industrial properties in Canada. Our portfolio consists of approximately 6.8 million square feet of gross leasable area, located primarily in Western Canada. Our portfolio is well diversified by geographic location and tenant mix. Through Dundee Management LP, we currently provide property management services to our tenants and others.

Dundee REIT is an unincorporated, open-ended real estate investment trust governed by the laws of Ontario. Dundee REIT is a “mutual fund trust” as defined in the Tax Act, but is not a “mutual fund” within the meaning of applicable Canadian securities legislation. Our head office is located at 30 Adelaide Street East, Suite 1600, Toronto, Ontario, M5C 3H1. A copy of our Declaration of Trust is available from our Secretary during the period of distribution of the Units and is available on SEDAR at www.sedar.com.

Office Rental Properties

Our portfolio consists of 43 office properties (47 buildings) comprising approximately 5.0 million square feet, excluding redevelopment properties, located primarily in Vancouver, Calgary, Edmonton, Regina, Saskatoon, Yellowknife and Toronto. These office properties can generally be categorized as high-quality, affordable, suburban and downtown buildings. At June 30, 2009, the average occupancy rate of office properties in our portfolio was 96.0%. The national industry average occupancy rate was 91.7% (CB Richard Ellis, Canadian Office MarketView, Second Quarter 2009). Our occupancy rates include lease commitments for space that is currently being readied for occupancy but for which rent is not yet being recognized.

Industrial Rental Properties

Our portfolio also consists of 36 prime suburban industrial and prestige industrial properties (42 buildings) comprising approximately 1.8 million square feet, concentrated in Calgary and Edmonton. Our strategy is to own clusters of properties, allowing us to respond quickly and efficiently to tenants’ needs during times of change in their operations or size of their workforce. At June 30, 2009, the average occupancy rate across our industrial portfolio was 89.3%. By comparison, the market occupancy rates in Calgary and Edmonton as at June 30, 2009 were 95.6% and 96.6%, respectively (CB Richard Ellis, Calgary and Edmonton Industrial MarketView, Second Quarter 2009).

Objectives

We are committed to:

- managing our activities to provide growing cash flow, and stable and sustainable returns, through adapting our strategy and tactics to changes in the real estate industry and the economy;

- building a diversified, growth-oriented portfolio of office and industrial properties in Canada, based on an established platform in Western Canada;
- providing predictable and sustainable cash distributions to unitholders and prudently managing distributions over time; and
- maintaining a REIT that satisfies the REIT Exception under the new SIFT Legislation in order to provide certainty to unitholders with respect to taxation of distributions.

Strategy

Our strategy is to rely on a core portfolio of office and industrial properties that provides a solid platform for stable and growing returns. While our core strategy of investing in the office and industrial sectors remains unchanged, we continuously review components of our strategy including acquisitions and dispositions and our capital markets strategy, particularly in light of the current conditions of the financial markets and uncertainty in the economy as a whole.

Our methodology to implement our strategy and objectives includes:

Effectively managing our business

We manage our properties to optimize long-term cash flow and value. Dundee REIT benefits from the expertise of a group of highly experienced real estate professionals through our internal property management function. In addition, through the Asset Management Agreement, Dundee REIT benefits from the expertise of Dundee Real Estate Asset Management, which provides the strategy, leadership and execution of Dundee REIT's operating plan. All of these professionals have worked together for many years and will continue to work together to increase the value of our portfolio through continuous and active analysis of how our properties and our portfolio as a whole can achieve optimal performance.

Pursuing growth

We will achieve growth by acquiring properties that enhance our overall portfolio, further improve the sustainability of distributions and help us mitigate risk. Our growth strategy is to acquire office and industrial properties in those Canadian markets that offer compelling investment opportunities and reposition existing properties where opportunities exist. We continuously evaluate individual properties and portfolios with a view to maximizing performance and achieving the optimal value and growth potential. Given the volatility of the current business environment, we are being very selective in our growth plans.

Meeting the needs of our tenants

We have a committed team of in-house property management professionals. A strong relationship with our tenants is critical to our success. We strive to be the preferred landlord by anticipating and meeting our tenants' needs. We believe that providing a consistent, high level of service puts us in a better position to re-lease space to existing tenants and helps attract new tenants to lease vacant space quickly and cost-effectively.

RECENT DEVELOPMENTS

Amendments to our Declaration of Trust

At our annual meeting of unitholders held on May 11, 2009, unitholders approved a special resolution authorizing and approving certain matters, including certain amendments to our Declaration of Trust, in connection with a proposed change in the way we hold our indirect interest in Telus Tower in Calgary, Alberta. We expect to implement the proposed change in 2009. See our management information circular dated April 2, 2009 for more information.

Current Discussions and Agreements Regarding Acquisitions and Dispositions

We have not acquired or disposed of any properties since the date of our most recent annual information form.

Consistent with our past practices and in the normal course, we are engaged in discussions with respect to possible acquisitions of new properties and dispositions of existing properties in our portfolio. However, there can be no assurance that any of these discussions will result in a definitive agreement and, if they do, what the terms or

timing of any acquisition or disposition would be. We expect to continue current discussions and actively pursue other acquisition, investment and disposition opportunities.

The information below pertains to properties in respect of which we have entered into agreements to acquire or dispose of certain properties. We have not completed the acquisition or disposition of these properties as of the date of this prospectus and we cannot assure you that these acquisitions or dispositions will be completed. We may choose to satisfy the purchase price for an acquisition in cash or by issuing Units or other securities or with any combination of the foregoing. We may also finance acquisitions through credit facilities or other indebtedness.

Acquisition of the remaining 50% interest in 720 Bay Street in Toronto, Ontario

In May 2004, we entered into a co-ownership agreement with the co-owner of 720 Bay Street, an 11-storey Class A office building located in Toronto, Ontario, that included a one-time put option exercisable by the co-owner. The put option requires Dundee REIT to purchase the remaining 50% interest in the building at the price paid by Dundee REIT for our initial 50% interest in the property. On January 23, 2009, the co-owner of the property exercised its put right. Accordingly, we expect to purchase the remaining interest in the building for \$25,400,000. The transaction is expected to close on September 1, 2009, at which time we and the co-owner will jointly repay certain indebtedness relating to the property that matures on September 1, 2009.

Disposition of two industrial properties in Edmonton, Alberta

On May 6, 2009, we entered into an agreement to sell two industrial properties, consisting of 188,000 square feet, located in Edmonton, Alberta for total proceeds of approximately \$15,100,000. The purchaser has waived all of the conditions to the sale, and the transaction is expected to close on August 31, 2009.

Reclassification of Greenbriar Mall, Atlanta as a discontinued asset

As at June 30, 2009, we classified a retail property located in Atlanta, Georgia, that is directly owned by one of our subsidiaries, as a discontinued asset. Management of Dundee REIT has determined that the additional funds required to fulfil the lenders' debt-to-market value requirements are unwarranted from a business perspective. As a result, proceedings have commenced that will likely result in the property being transferred to the lender. We have received a notice from the lender indicating that the transfer will occur in October 2009; however, the timing of any transfer is at the discretion of the lender and is subject to change. Recourse under the mortgage is limited to the property and related assets.

Development properties

We have entered into an agreement to purchase a fully-leased office building, which is currently under construction, for \$20,788,000, subject to a maximum closing price adjustment of \$500,000. The closing date is expected to occur in the first half of 2010.

In the second quarter of 2009, we committed to construct an office property in Yellowknife, Northwest Territories that will be fully occupied by the Government of Canada for a ten-year term. Estimated construction costs are \$20,000,000.

Tax Effect on Dispositions

Certain properties within the Dundee Properties LP portfolio were acquired on a tax deferred basis. Accordingly, Dundee Properties LP's tax cost in certain properties was less than the fair market value of those properties at the time of their acquisition. If one or more of those properties are disposed of, the gain recognized by Dundee Properties LP for tax purposes will be in excess of that which it would have realized if it had acquired the properties with a tax cost equal to their fair market values. In addition, any disposition by us or one of our subsidiary entities of real estate located in the United States will be potentially subject to U.S. tax.

CONSOLIDATED CAPITALIZATION

The changes in our consolidated capitalization from June 30, 2009 to August 28, 2009 are as follows:

- Indebtedness decreased by \$6.3 million mainly as a result of scheduled repayments and lump sum payments at maturity of mortgage financing; and

- Unitholders' equity decreased mainly due to distributions, partially offset by (i) the issuance of 37,228 Units pursuant to the DRIP plan; and (ii) net income for the period.

As a result of the planned issuance of Units under this offering, Unitholders' equity would increase by \$58,448,600 (\$67,300,640 if the Over-Allotment Option is exercised in full).

PLAN OF DISTRIBUTION

Pursuant to the Underwriting Agreement between the Underwriters and us, we have agreed to sell and the Underwriters have severally agreed to purchase, subject to the terms and conditions contained in the Underwriting Agreement, on September 9, 2009 or on such other date as may be agreed between Dundee REIT and the Underwriters but, in any event, not later than October 9, 2009, a total of 3,350,000 Units at a price of \$18.35 per Unit, payable in cash to Dundee REIT against delivery. The Underwriting Agreement provides that we will pay to the Underwriters an aggregate fee of \$2,458,900 in respect of all of the Units offered or \$0.734 per Unit in consideration of their services in connection with this offering.

The obligations of the Underwriters under the Underwriting Agreement are several and may be terminated at their discretion on the basis of their assessment of the state of the financial markets and may also be terminated on the occurrence of certain stated events. The Underwriters are, however, obligated to take up and pay for all of the Units if any of such Units are purchased under the Underwriting Agreement.

We have granted to the Underwriters an option (the "Over-Allotment Option"), exercisable in whole or in part for a period of 30 days from the closing of this offering, to purchase up to 502,500 additional Units on the same terms as set out above solely to cover over-allotments, if any. We have agreed to pay to the Underwriters a fee of \$0.734 per Unit with respect to Units issued under the Over-Allotment Option. This prospectus qualifies the grant of the Over-Allotment Option and the issuance of Units on the exercise of the Over-Allotment Option. A purchaser who acquires Units forming part of the Underwriters over-allocation position acquires such Units under this prospectus, regardless of whether the over-allocation position is ultimately filled through the exercise of the Over-Allotment Option or secondary market purchases.

This offering is being made in each of the provinces of Canada. The Units have not and will not be registered under the 1933 Act or any state securities laws and, subject to certain exceptions, may not be offered or sold in the United States. The Underwriters have agreed that they will not offer or sell the Units within the United States of America, its territories, its possessions and other areas subject to its jurisdiction, except, in accordance with the Underwriting Agreement, pursuant to an exemption from the registration requirements of the 1933 Act provided by Rule 144A thereunder and/or to a limited number of institutional "accredited investors" (as defined in Rule 501(a)(1),(2),(3) or (7) of Regulation D under the 1933 Act) in transactions that are exempt from the registration requirements under the 1933 Act, and, in each case, in compliance with applicable state securities laws. This prospectus does not constitute an offer to sell or solicitation of an offer to buy any of the Units in the United States. In addition, until 40 days after the commencement of the offering of the Units pursuant to this prospectus, an offer or sale of Units within the United States by any dealer (whether or not participating in the offering) may violate the registration requirements of the 1933 Act if such offer is made otherwise than in compliance with Rule 144A.

We have agreed to indemnify the Underwriters and their directors, officers and employees against certain liabilities pursuant to the Underwriting Agreement, including liabilities under Canadian securities legislation.

We have agreed that we will not, directly or indirectly, without the prior written consent of TD Securities Inc., on behalf of the Underwriters, issue, offer, sell, grant any option to purchase or otherwise dispose of (or announce any intention to do so) any equity securities or any securities convertible into, or exchangeable or exercisable for equity securities, for a period commencing on the date of the Underwriting Agreement and ending on the date that is 90 days after the closing of this offering, except (i) pursuant to the exercise of convertible or exchangeable securities, options or warrants to purchase units which are outstanding on the date hereof or have been issued with the consent of TD Securities Inc.; (ii) as full or partial consideration for arm's length acquisitions of assets or shares; (iii) units issued pursuant to our DRIP plan or deferred unit incentive plan; and (iv) units issued pursuant to the DRIP plan-like arrangements in the Dundee Properties LP limited partnership agreement.

The TSX has conditionally approved the listing of these Units. Listing is subject to Dundee REIT fulfilling all of the requirements of the TSX on or before November 23, 2009.

Each of Dundee Corporation and GE Real Estate has waived its pre-emptive right under the Declaration of Trust in connection with this offering.

Subscriptions will be received subject to rejection or allotment in whole or in part and the right is reserved to close the subscription books at any time without notice.

The Underwriters propose to offer the Units initially at the offering price specified on the cover page of this prospectus. After the Underwriters have made a reasonable effort to sell all of the Units at the price specified on the cover page, the offering price may be decreased and may be further changed from time to time to an amount not greater than that set out on the cover page, and the compensation realized by the Underwriters will be decreased by the amount that the aggregate price paid by purchasers for the Units is less than the price paid by the Underwriters to Dundee REIT.

Pursuant to policy statements of certain securities regulators, the Underwriters may not, throughout the period of distribution, bid for or purchase Units other than pursuant to the Underwriting Agreement. The foregoing restriction is subject to certain exceptions including: (i) a bid or purchase permitted under the Universal Market Integrity Rules for Canadian Marketplaces of the Investment Industry Regulatory Organization of Canada; and (ii) a bid or purchase made for and on behalf of a customer where the order was not solicited during the period of the distribution, provided that the bid or purchase was not engaged in for the purpose of creating actual or apparent active trading in, or raising the price of, such securities.

In connection with this offering, the Underwriters may over-allot or effect transactions that stabilize or maintain the market price of the Units offered hereby at levels other than those which otherwise might prevail on the open market, including:

- stabilizing transactions;
- short sales;
- purchases to cover positions created by short sales;
- imposition of penalty bids; and
- syndicate covering transactions.

Stabilizing transactions consist of bids or purchases made for the purpose of preventing or retarding a decline in the market price of Units while this offering is in progress. These transactions may also include making short sales of Units, which involve the sale by the Underwriters of a greater number of Units than they are required to purchase in this offering. Short sales may be “covered short sales”, which are short positions in an amount not greater than the Over-Allotment Option, or may be “naked short sales”, which are short positions in excess of that amount.

The Underwriters may close out any covered short position either by exercising the Over-Allotment Option, in whole or in part, or by purchasing Units in the open market. In making this determination, the Underwriters will consider, among other things, the price of Units available for purchase in the open market compared to the price at which they may purchase Units through the Over-Allotment Option. The Underwriters must close out any naked short position by purchasing Units in the open market. A naked short position is more likely to be created if the Underwriters are concerned that there may be downward pressure on the price of the Units in the open market that could adversely affect investors who purchase in this offering.

As a result of these activities, the price of the Units offered hereby may be higher than the price that otherwise might exist in the open market. If these activities are commenced, they may be discontinued by the Underwriters at any time. The Underwriters may carry out these transactions on the TSX, in the over-the-counter market or otherwise.

One of the Underwriters, Dundee Securities Corporation, is an indirect subsidiary of Dundee Corporation. Through its subsidiaries, Dundee Corporation holds an approximate 21% voting interest in Dundee REIT by virtue of its holding of Special Trust Units and Units. Accordingly, we are a related issuer of Dundee Securities Corporation for the purposes of applicable Canadian securities legislation. The terms of the offering of the Units were negotiated at arm’s-length between TD Securities Inc. (of which we are neither a related issuer nor a connected issuer) and us. The Underwriters participated in the drafting of this prospectus, the negotiation of the pricing of the Units and the due diligence process in respect of this offering. Dundee Securities Corporation will not receive any benefit in connection with this offering other than as described in this prospectus.

In order for Dundee REIT to maintain its status as a mutual fund trust as defined in the Tax Act, it must not be established or maintained primarily for the benefit of non-residents of Canada within the meaning of the Tax Act. The Declaration of Trust provides constraints on the ownership of our units for this purpose. See “Declaration of Trust and Description of REIT Units — Limitation on Non-Resident Ownership” in our latest annual information form. We monitor ownership of our units which are held by non-residents by periodically obtaining and reviewing unit ownership reports from our transfer agent or other service providers.

USE OF PROCEEDS

The net proceeds from the sale of Units under this short form prospectus are estimated to be approximately \$58,448,600 (\$67,300,640 if the Over-Allotment Option is exercised in full) after deduction of the Underwriters’ fee and the estimated expenses of this offering. The Underwriters’ fee and the expenses of this offering will be paid out of the proceeds of this offering. We will use the net proceeds of this offering for general trust purposes, including for funding possible future acquisitions and repayment of debt incurred in connection with those acquisitions.

CERTAIN CANADIAN FEDERAL INCOME TAX CONSIDERATIONS

In the opinion of Wilson & Partners LLP, a law firm affiliated with PricewaterhouseCoopers LLP and special tax counsel to Dundee REIT, and Torys LLP, counsel to the Underwriters (together, the “Counsel”), the following is, as of the date hereof, a summary of the principal Canadian federal income tax considerations generally applicable under the Tax Act to the acquisition, holding and disposition of Units by a holder who acquires such Units pursuant to this offering. This summary is applicable to a holder who, for purposes of the Tax Act, deals at arm’s length and is not affiliated with Dundee REIT and its Affiliates and holds the Units as capital property (in this section, a “Unitholder”). Generally, the Units will be considered to be capital property to a Unitholder provided the Unitholder does not hold the Units in the course of carrying on a business and has not acquired them in one or more transactions considered to be an adventure in the nature of trade. Unitholders who do not hold their Units as capital property should consult their own tax advisors regarding their particular circumstances.

This summary is not applicable to a Unitholder that is a “financial institution”, as defined in the Tax Act for purposes of the mark-to-market rules, a “specified financial institution”, as defined in the Tax Act, a Unitholder that has elected to have the “functional currency” reporting rules under the Tax Act apply, or a Unitholder an interest in which is a “tax shelter investment”, as defined in the Tax Act. Such Unitholders should consult their own tax advisors to determine the tax consequences to them of the acquisition, holding and disposition of Units acquired pursuant to this offering. In addition, this summary does not address the deductibility of interest by an investor who has borrowed money to acquire Units under this offering.

This summary is based upon the current provisions of the Tax Act and the regulations thereunder, a certificate as to certain factual matters from an officer of Dundee REIT, and Counsel’s understanding, based on publicly available published materials, of the current administrative policies and assessing practices of the CRA, all in effect as of the date of this prospectus. This summary takes into account all specific proposals to amend the Tax Act and the Regulations that have been publicly announced by or on behalf of the Minister prior to the date of this prospectus (the “Tax Proposals”). This summary does not otherwise take into account or anticipate any changes in law, whether by legislative, governmental or judicial decision or action, or changes in CRA’s administrative policies and assessing practices, nor does it take into account provincial, territorial or foreign tax legislation or considerations, which may differ significantly from those discussed herein. This summary assumes that the Tax Proposals will be enacted as currently proposed, but no assurances can be given that this will be the case. There can be no assurances that CRA will not change its administrative policies and assessing practices.

This summary is based on the assumption that Dundee REIT qualifies, and will continue to qualify at all relevant times, as a “mutual fund trust” and as a “real estate investment trust” as defined in the Tax Act and that each direct or indirect Subsidiary of Dundee REIT qualifies, and will continue to qualify at all relevant times, as an “excluded subsidiary entity” as defined in the Tax Act. If Dundee REIT were not to qualify as a mutual fund trust or a real estate investment trust or each direct or indirect Subsidiary of Dundee REIT were not to qualify as an excluded subsidiary entity, the income tax considerations discussed below would, in some respects, be materially different.

This summary is not exhaustive of all possible Canadian federal tax considerations applicable to an investment in Units. Moreover, the income and other tax consequences of acquiring, holding or disposing of

Units will vary depending on the Unitholder's particular circumstances. Accordingly, this summary is of a general nature only and is not intended to be, nor should it be construed to be, legal or tax advice to any prospective purchaser of Units. Consequently, a prospective Unitholder should consult the Unitholder's own tax advisor for advice with respect to the tax consequences of an investment in Units based on the prospective Unitholder's particular circumstances.

Taxation of Dundee REIT

The taxation year of Dundee REIT is the calendar year. In each taxation year, Dundee REIT will generally be subject to tax under Part I of the Tax Act on its income for the year, including net taxable capital gains for that year and its allocated share of the income of Partnership A and Partnership B for the fiscal period of such Partnerships ending on or before the year end of Dundee REIT, less the portion thereof that it deducts in respect of the amounts paid or payable, or deemed to be paid or payable, to Unitholders in the year. An amount will be considered to be payable to a Unitholder in a taxation year if it is paid to the Unitholder in the year by Dundee REIT or if the Unitholder is entitled in that year to enforce payment of the amount.

Dundee REIT will, generally, also not be subject to tax on any amounts received as distributions from Partnership A and Partnership B. Generally, distributions to Dundee REIT in excess of its allocated share of the income of Partnership A or Partnership B for a fiscal year will result in a reduction of the adjusted cost base of Dundee REIT's units in Partnership A or Partnership B, as applicable, by the amount of such excess. If, as a result, Dundee REIT's adjusted cost base at the end of a taxation year of its units in Partnership A or Partnership B would otherwise be a negative amount, Dundee REIT will be deemed to realize a capital gain in such amount for that year, and Dundee REIT's adjusted cost base at the beginning of the next taxation year of its units in Partnership A or Partnership B, as applicable, will then be nil.

In computing its income for purposes of the Tax Act, Dundee REIT may deduct reasonable administrative costs and other expenses incurred by it for the purpose of earning income. Dundee REIT may also deduct from its income for the year a portion of any reasonable expenses incurred by Dundee REIT to issue Units. The portion of such issue expenses deductible by Dundee REIT in a taxation year is 20% of such issue expenses, pro-rated where Dundee REIT's taxation year is less than 365 days.

An *in specie* redemption of any Subsidiary Securities and the transfer by Dundee REIT of Subsidiary Securities to redeeming Unitholders will each be treated as a disposition by Dundee REIT of such Subsidiary Securities for proceeds of disposition equal to the fair market value thereof. Dundee REIT will realize a capital gain (or a capital loss) to the extent that the proceeds from these dispositions exceed (or are less than) the adjusted cost base of the Subsidiary Securities, as the case may be, and any reasonable costs of disposition.

Dundee REIT is required to make distributions in each year to Unitholders in an amount sufficient to ensure that Dundee REIT will generally not be liable for tax under Part I of the Tax Act in any year (after taking into account any applicable tax refunds to Dundee REIT). Income of Dundee REIT which is applied to fund redemptions of Units for cash or is otherwise unavailable for cash distributions will be distributed to Unitholders in the form of additional Units. Income of Dundee REIT payable to Unitholders, whether in cash, additional Units or otherwise, will generally be deductible by Dundee REIT in computing its taxable income.

Losses incurred by Dundee REIT cannot be allocated to Unitholders, but can be deducted by Dundee REIT in future years in computing its taxable income, in accordance with the Tax Act. In the event Dundee REIT would otherwise be liable for tax on its net realized taxable capital gains for a taxation year, it will be entitled for each taxation year to reduce (or receive a refund in respect of) its liability, if any, for such tax by an amount determined under the Tax Act based on the redemption of units of Dundee REIT during the year (the "capital gains refund"). In certain circumstances, the capital gains refund in a particular taxation year may not completely offset Dundee REIT's tax liability for the taxation year arising in connection with the transfer of property *in specie* to redeeming Unitholders on the redemption of Units and the related *in specie* redemption by Dundee REIT of any Subsidiary Securities. The Declaration of Trust provides that all or a portion of any capital gain or income realized by Dundee REIT in connection with such redemptions may, at the discretion of the trustees, be treated as capital gains or income paid to, and designated as capital gains or income of, the redeeming Unitholder. Such income or the taxable portion of any capital gain so designated must be included in the income of the redeeming Unitholders (as income or taxable capital gains) and will be deductible by Dundee REIT in computing its income.

Taxation of Partnership A and Partnership B

The fiscal period of each of Partnership A and Partnership B is the calendar year. Partnership A and Partnership B are not subject to tax under the Tax Act. Generally, each partner of Partnership A and Partnership B (i.e. each general partner of such partnerships and Dundee REIT) is required to include in computing the partner's income the partner's share of the income (or loss) of Partnership A or Partnership B, as applicable, for the partnership's fiscal year ending in, or coincidentally with, the partner's taxation year end, whether or not any such income is distributed to the partner in the taxation year. For this purpose, the income (or loss) of Partnership A and Partnership B will be computed for each fiscal year as if it were a separate person resident in Canada and will include its share of the income (or loss) of Dundee Properties LP and any capital gain or loss that may arise on the disposition or deemed disposition of its interests in such partnership.

Taxation of Dundee Properties LP

Dundee Properties LP is not subject to tax under the Tax Act. Generally, each partner of Dundee Properties LP, including Partnership A and Partnership B, is required to include in computing the partner's income the partner's share of the income (or loss) of Dundee Properties LP for the partnership's fiscal year ending in, or coincidentally with, the partner's taxation year end, whether or not any such income is distributed to the partner in the taxation year. For this purpose, the income or loss of Dundee Properties LP will be computed for each fiscal year as if Dundee Properties LP were a separate person resident in Canada and will include its share of the income or loss of Dundee Management LP and other partnerships in which it holds any interest and any capital gain or loss that may arise on the disposition or deemed disposition of its interests in such partnership. In computing the income or loss of Dundee Properties LP, deductions may generally be claimed in respect of its administrative and other expenses incurred for the purpose of earning income from business or property to the extent they are not capital in nature and do not exceed a reasonable amount and available capital cost allowances. The income or loss of Dundee Properties LP for a fiscal year will be allocated to the partners of Dundee Properties LP, including Partnership A and Partnership B, on the basis of their respective share of such income or loss as provided in the limited partnership agreement of Dundee Properties LP, subject to the detailed rules in the Tax Act. Generally, distributions to partners in excess of the income of the Dundee Properties LP for a fiscal year will result in a reduction of the adjusted cost base of the partner's units in Dundee Properties LP by the amount of such excess. If, as a result, Partnership A's or Partnership B's adjusted cost base at the end of a taxation year of its units in Dundee Properties LP would otherwise be a negative amount, Partnership A or Partnership B, as applicable, will be deemed to realize a capital gain in such amount for that year, and Partnership A's and Partnership B's adjusted cost base at the beginning of the next taxation year of its units in Dundee Properties LP will then be nil. If Dundee Properties LP were to incur losses for tax purposes, Partnership A's and Partnership B's ability to deduct such losses may be limited by certain rules under the Tax Act.

Taxation of Unitholders Resident in Canada

This portion of the summary is generally applicable to a Unitholder who at all relevant times, for the purposes of the Tax Act, is or is deemed to be resident in Canada. Certain Unitholders who might not otherwise be considered hold their Units as capital property may, in certain circumstances, be entitled to make an irrevocable election in accordance with subsection 39(4) of the Tax Act to have such Units, and any other "Canadian security" (as defined in the Tax Act) owned in the taxation year in which the election is made and in subsequent taxation years, deemed to be capital property.

Trust Distributions

A Unitholder is generally required to include in computing income for a particular taxation year of the Unitholder the portion of the net income of Dundee REIT for the taxation year of Dundee REIT ending on or before the particular taxation year end of the Unitholder, including net taxable capital gains (determined for the purposes of the Tax Act), that is paid or payable, or deemed to be paid or payable, to the Unitholder in such taxation year of Dundee REIT, whether or not those amounts are received in cash, additional Units or otherwise.

The non-taxable portion of any net capital gains of Dundee REIT that is paid or payable, or deemed to be paid or payable, to a Unitholder in a taxation year will not be included in computing the Unitholder's income for the year. Any other amount in excess of the net income and net taxable capital gains of Dundee REIT that is paid or payable, or deemed to be paid or payable, by Dundee REIT to a Unitholder in a year, including the further bonus

distribution reinvested in Units under the DRIP plan, will not generally be included in the Unitholder's income for the year. A Unitholder will be required to reduce the adjusted cost base of its Units by the portion of any amount (other than proceeds of disposition in respect of the redemption of Units and the non-taxable portion of net capital gains) paid or payable to such Unitholder that was not included in computing the Unitholder's income and will realize a capital gain to the extent that the adjusted cost base of the Unitholder's Units would otherwise be a negative amount.

Provided that appropriate designations are made by Dundee REIT, such portions of the net taxable capital gains, taxable dividends received, or deemed to be received, on shares of taxable Canadian corporations and foreign source income as are paid or payable, or deemed to be paid or payable, by Dundee REIT to the Unitholders will effectively retain their character and be treated and taxed as such in the hands of the Unitholders for purposes of the Tax Act, and Unitholders may be entitled to claim a foreign tax credit for foreign taxes paid by Dundee REIT. To the extent that amounts are designated as having been paid to Unitholders out of the net taxable capital gains of Dundee REIT, such designated amounts will be deemed for tax purposes to be received by Unitholders in the year as a taxable capital gain and will be subject to the general rules relating to the taxation of capital gains described below. To the extent that amounts are designated as having been paid to Unitholders out of taxable dividends received, or deemed to be received, on shares of taxable Canadian corporations, they will be subject to the normal gross-up and dividend tax credit provisions in respect of Unitholders who are individuals, to the refundable tax under Part IV of the Tax Act in respect of Unitholders that are private corporations and certain other corporations controlled directly or indirectly by or for the benefit of an individual (other than a trust) or related group of individuals (other than trusts), and to the deduction in computing taxable income in respect of Unitholders that are corporations. A Unitholder that is a Canadian-controlled private corporation (as defined in the Tax Act) may also be liable to pay an additional refundable 6 $\frac{2}{3}$ % tax on certain investment income, including taxable capital gains. Unitholders should consult their own tax advisors for advice with respect to the potential application of these provisions.

Certain taxable dividends received by individuals from a corporation resident in Canada will be eligible for the enhanced dividend tax credit to the extent certain conditions are met and designations are made, such as the dividend being sourced out of income that is subject to tax at the general corporate tax rate. This could apply to distributions made by Dundee REIT to the Unitholders that have as their sources eligible taxable dividends received from a corporation resident in Canada, to the extent Dundee REIT makes the appropriate designation to have such eligible taxable dividend deemed received by the Unitholder and provided that the corporate dividend payer makes the required designation to treat such taxable dividend as an eligible dividend.

Dispositions of Units

On the disposition or deemed disposition of a Unit by a Unitholder, whether on redemption or otherwise, the Unitholder will generally realize a capital gain (or a capital loss) equal to the amount by which the proceeds of disposition exceed (or are less than) the aggregate of the Unitholder's adjusted cost base of the Unit and any reasonable costs of disposition. Proceeds of disposition will not include an amount payable by Dundee REIT that is otherwise required to be included in the Unitholder's income (such as an amount designated as payable by Dundee REIT to a redeeming Unitholder out of capital gains or income of Dundee REIT as described above).

For the purpose of determining the adjusted cost base to a Unitholder, when a Unit is acquired, the cost of the newly-acquired Unit will be averaged with the adjusted cost base of all of the Units owned by the Unitholder as capital property immediately before that acquisition. The adjusted cost base of a Unit to a Unitholder will include all amounts paid by the Unitholder for the Unit, with certain adjustments. The cost to a Unitholder of Units received in lieu of a cash distribution of income of Dundee REIT will be equal to the amount of such distribution that is satisfied by the issuance of such Units. The cost of Units acquired on the reinvestment of distributions under the DRIP plan will be the amount of such investment. There will be no net increase or decrease in the aggregate adjusted cost base of all of a Unitholder's Units as a result of the receipt of the further bonus distribution reinvested in Units under the DRIP plan; however, the adjusted cost base per Unit will be reduced.

Where the redemption price for Units is paid and satisfied by way of a distribution *in specie* to the Unitholders of securities of a Subsidiary of Dundee REIT ("Subsidiary Securities"), the proceeds of disposition to the Unitholder of the Units will be equal to the fair market value of the property so distributed less any income or capital gain realized by Dundee REIT as a result of the redemption of those Units to the extent such income or capital gain is designated by Dundee REIT to the redeeming Unitholder. Where income or capital gain realized by Dundee REIT

as a result of the redemption of Units has been so designated by Dundee REIT, the Unitholder will be required to include in computing its income for tax purposes the income and the taxable portion of the capital gain so designated. The cost of any Subsidiary Security distributed by Dundee REIT to a Unitholder upon a redemption of Units will generally be equal to the fair market value of such Subsidiary Security at the time of distribution.

One-half of any capital gains realized by a Unitholder and the amount of any net taxable capital gains designated by Dundee REIT in respect of a Unitholder will be included in the Unitholder's income as a taxable capital gain. One-half of any capital loss realized by a Unitholder on a disposition, or deemed disposition of Units, may generally be deducted only from taxable capital gains of the Unitholder in the year of disposition, in the three preceding taxation years or in any subsequent taxation years, to the extent and under the circumstances described in the Tax Act.

Where a Unitholder that is a corporation or a trust (other than a mutual fund trust) disposes of a Unit, the Unitholder's capital loss from the disposition will generally be reduced by the amount of any dividends received by Dundee REIT previously designated by Dundee REIT to the Unitholder, to the extent and under the circumstances prescribed in the Tax Act. Analogous rules apply where a corporation or trust (other than a mutual fund trust) is a member of a partnership that disposes of Units.

Alternative Minimum Tax

In general terms, net income of Dundee REIT, paid or payable, or deemed to be paid or payable, to a Unitholder who is an individual or trust (other than certain specified trusts), and that is designated as taxable dividends or as net taxable capital gains, and capital gains realized on the disposition of Units may increase the Unitholder's liability for alternative minimum tax.

Taxation of Unitholders Not Resident in Canada

This portion of the summary is generally applicable to a Unitholder who at all relevant times, for the purpose of the Tax Act, is not and is not deemed to be, resident in Canada, does not use or hold the Units in a business carried on in Canada and is not an insurer that carries on business in Canada and elsewhere (a "Non-Resident Unitholder").

Distributions on Units

A Non-Resident Unitholder will be subject to Canadian withholding tax at the rate of 25% on any income and capital gains distributions (including income and capital gains distributions in respect of the redemption of Units) paid or credited, or deemed to be paid or credited, in respect of a Unit by Dundee REIT to Non-Resident Unitholder, whether such distributions are paid in cash or Units, and at the rate of 15% on any other distributions paid or credited, or deemed to be paid or credited, in respect of a Unit by Dundee REIT to the Non-Resident Unitholder. The 25% rate of withholding tax referred to above is subject to reduction pursuant to the provisions of an applicable tax convention. For example, the reduced rate under the Canada-U.S. Tax Convention is generally 15%.

Dundee REIT withholds such taxes as required by the Tax Act and remits such payments to the tax authorities on behalf of the Non-Resident Unitholder. **Non-Resident Unitholders should consult with their own tax advisors with regard to the availability of any applicable foreign tax credits in respect of any Canadian withholding taxes.**

Disposition of Units

A Non-Resident Unitholder will not be subject to tax under the Tax Act on any capital gain realized on the disposition, or deemed disposition, of Units unless the Units are taxable Canadian property to the Non-Resident Unitholder. The Units will not be taxable Canadian property to a Non-Resident Unitholder if the Non-Resident Unitholder, persons with whom the Non-Resident Unitholder does not deal at arm's length (within the meaning of the Tax Act), or the Non-Resident Unitholder together with such persons, do not own 25% or more of the issued units of Dundee REIT at any time during the 60 month period immediately preceding the disposition.

ELIGIBILITY FOR INVESTMENT

Units

In the opinion of Counsel, based on representations of Dundee REIT as to certain factual matters and subject to the qualifications and assumptions given under the heading "Certain Canadian Federal Income Tax Considerations", Units will be qualified investments under the Tax Act for Plans, subject to the specific provisions of any particular

plan. If Dundee REIT ceases to qualify as a mutual fund trust and as a registered investment and the Units cease to be listed on a designated stock exchange, the Units will not be qualified investments under the Tax Act for Plans. Subsidiary Securities received as a result of a redemption *in specie* of Units may not be qualified investments for Plans, and this could give rise to adverse consequences to such plan or the annuitant or beneficiary under that plan. Accordingly, Plans that own Units should consult their own tax advisors before deciding to exercise the redemption rights attached to the Units.

The Units will not be a “prohibited investment” for a trust governed by a tax-free savings account provided the holder of the tax-free savings account deals at arm’s length with Dundee REIT for purposes of the Tax Act and does not have a significant interest (within the meaning of the Tax Act) in Dundee REIT or in any person or partnership with which Dundee REIT does not deal at arm’s length for purposes of the Tax Act.

PRIOR SALES

During the 12-month period before the date of this prospectus, Dundee REIT has completed the following distributions of Units and securities that are convertible into Units:

Dundee REIT distributes Units on a monthly basis to existing unitholders who elect to reinvest their monthly distributions in Units pursuant to the DRIP plan. Units distributed pursuant to the DRIP plan are issued at a price equal to the weighted average closing price of the Units on the TSX for the five trading days immediately proceeding the relevant distribution payment date. Unitholders who participate in the DRIP plan receive a “bonus” distribution with each reinvestment equal to 4.0% of the amount of the distribution reinvested in the form of additional Units.

Dundee REIT also has a Deferred Unit Incentive Plan, pursuant to which it grants Deferred Units to its Trustees and senior officers and certain of its employees. Units are issued to participants in the Deferred Unit Incentive Plan upon vesting of the Deferred Units, unless deferred in accordance with the terms of the Deferred Unit Incentive Plan. Since August 31, 2008, Dundee REIT has issued 239,873 Units.

Pursuant to the terms of the Debentures, the 6.5% Debentures are convertible into Units at a conversion price of \$25.00 per Unit (being a conversion ratio of 40 Units per \$1,000 principal amount), the 5.7% Debentures are convertible into Units at a conversion price of \$30.00 per Unit (being a conversion ratio of 33.33333 Units per \$1,000 principal amount) and the 6.0% Debentures are convertible into Units at a conversion price of \$41.40 per Unit (being a conversion ratio of 24.15459 Units per \$1,000 principal amount). Since August 31, 2008, Dundee REIT has issued an aggregate of 600 Units upon the conversion of 6.5% Debentures, 3,666 Units upon the conversion of 5.7% Debentures and no Units upon the conversion of 6.0% Debentures.

Holder of LP Class B Units, Series 1 of Dundee Properties LP have the right to exchange such units for REIT Units, Series B on a one-for-one basis. Each REIT Unit, Series B is convertible at any time at the option of the holder into one fully-paid and non-assessable Unit. Since August 31, 2008, no LP Class B Units, Series 1 were exchanged for REIT Units, Series B; however, Dundee REIT issued an aggregate of 460,000 Units pursuant to the conversion of REIT Units, Series B into Units on a one-for-one basis.

RISK FACTORS

An investment in Units is subject to a number of risks, including those set forth in our most recent annual information form and in our management’s discussion and analysis for the six months ended June 30, 2009. Prospective investors should carefully consider these risks before purchasing Units.

Dilution

While the net proceeds of this offering are expected to enhance our liquidity, to the extent that any of the net proceeds of this offering remain uninvested, or are used to pay down indebtedness with a low interest rate, this offering is expected to result in dilution, on a per Unit basis, to our net income and other measures used by us.

LEGAL MATTERS

Certain legal matters in connection with the Units offered hereby will be passed upon for us by Osler, Hoskin & Harcourt LLP, with respect to securities and other matters, and Wilson & Partners LLP, a law firm affiliated with PricewaterhouseCoopers LLP, with respect to certain tax matters, and for the Underwriters by Torys LLP.

The partners and associates of Osler, Hoskin & Harcourt LLP, as a group, Wilson & Partners LLP, as a group, and Torys LLP, as a group, each beneficially own, directly and indirectly, less than 1% of the outstanding securities of Dundee REIT and its affiliates and associates.

The transfer agent and registrar of the Units is Computershare Trust Company of Canada at its principal offices in Toronto, Ontario.

PURCHASERS’ STATUTORY RIGHTS OF WITHDRAWAL AND RESCISSION

Securities legislation in certain of the provinces of Canada provides purchasers with the right to withdraw from an agreement to purchase securities. This right may be exercised within two business days after receipt or deemed receipt of a prospectus and any amendment thereto. In several of the provinces, securities legislation further provides the purchaser with remedies for rescission or, in some jurisdictions, damages if the prospectus and any amendment contains a misrepresentation or is not delivered to the purchaser, provided that such remedies for rescission or damages are exercised by the purchaser within the time limit prescribed by the securities legislation of the purchaser’s province. A purchaser should refer to any applicable provisions of the securities legislation of the purchaser’s province for the particulars of these rights or consult with a legal advisor.
