SHORT FORM PROSPECTUS

New Issue

November 26, 2012

DUNDEE REAL ESTATE INVESTMENT TRUST

\$2,000,000,000

Units

Debt Securities

Dundee Real Estate Investment Trust ("Dundee REIT") may from time to time offer REIT Units, Series A ("Units") and debt securities ("Debt Securities"), which may include Debt Securities convertible into or exchangeable for units of the REIT, or any combination thereof for an aggregate offering price of up to \$2,000,000,000 (or its equivalent, at the date of issue, in any other currency or currencies) during the 25-month period that this short form base shelf prospectus (this "Prospectus"), including any amendments hereto, remains valid. The Units and Debt Securities are referred to in this Prospectus as the "Securities".

The specific terms of any offering of Securities will be set forth in a shelf prospectus supplement (a "Prospectus Supplement") and may include, where applicable: (i) in the case of Units, the number of Units offered, the offering price, whether the Units are being offered for cash or other consideration, and any other terms and any other specific terms; and (ii) in the case of Debt Securities, the specific designation, aggregate principal amount, currency or currency unit for Debt Securities, maturity, interest rate provisions, authorized denominations, covenants, events of default, any terms for redemption, any exchange or conversion provisions, the initial offering price (or the manner of determination thereof if offered on a non-fixed price basis), any terms for subordination of the Debt Securities to other indebtedness, whether the Debt Securities will be secured by any assets or guaranteed by any other person and any other specific terms. You should read this Prospectus and any applicable Prospectus Supplement before you invest in any Securities.

This Prospectus does not qualify for issuance Debt Securities in respect of which the payment of principal and/or interest may be determined, in whole or in part, by reference to one or more underlying interests including, for example, an equity or debt security, a statistical measure of economic or financial performance including, but not limited to, any currency, consumer price or mortgage index, or the price or value of one or more commodities, indices or other items, or any other item or formula, or any combination or basket of the foregoing items, other than as required to provide for an interest rate that is adjusted for inflation. For greater certainty, this Prospectus may qualify for issuance Debt Securities in respect of which the payment of principal and/or interest may be determined,

in whole or in part, by reference to published rates of a central banking authority or one or more financial institutions, such as a prime rate or bankers' acceptance rate, or to recognized market benchmark interest rates such as CDOR (the Canadian Dollar Offered Rate) or LIBOR (the London Interbank Offered Rate), and/or that are convertible into or exchangeable for Units.

Dundee REIT is an unincorporated, open-ended real estate investment trust governed by the laws of Ontario. Our head office is located at 30 Adelaide Street East, Suite 1600, Toronto, Ontario M5C 3H1.

Our outstanding Units are listed on the Toronto Stock Exchange (the "TSX") under the symbol D.UN. **Unless otherwise specified in the applicable Prospectus Supplement, the Debt Securities will not be listed on any securities exchange and there is no market through which the Debt Securities may be sold and purchasers may not be able to resell the Debt Securities purchased under this Prospectus. This may affect the pricing of the Debt Securities in the secondary market, the transparency and availability of trading prices, the liquidity of the Debt Securities, and the extent of issuer regulation. See the risk factors in the Prospectus Supplement relating to the particular Debt Securities.**

We may offer and sell Securities to or through underwriters or dealers purchasing as principals, and may also sell Securities directly to one or more purchasers or through dealers acting as agents. The Prospectus Supplement relating to a particular offering of Securities will identify each underwriter, dealer or agent, as the case may be, engaged in connection with the offering and sale of Securities, and will set forth the terms of the offering of such Securities, including the method of distribution of such Securities, the proceeds to the REIT and any fees, discounts or other compensation payable to underwriters, dealers or agents and any other material terms of the plan of distribution.

Unless otherwise specified in the relevant Prospectus Supplement, in connection with any offering of Securities, the underwriters, dealers or agents may effect transactions that stabilize or maintain the market price of the Securities at levels other than those which otherwise might prevail on the open market. Such transactions, if commenced, may be discontinued at any time. See "Plan of Distribution".

There are certain risks inherent in an investment in our Securities and in our activities. Prospective investors should carefully consider these risk factors before purchasing Units. See "Risk Factors".

A return on an investment in Units is not comparable to the return on an investment in a fixed income security. The recovery of your investment in Units is at risk, and the anticipated return on your investment in Units is based on many performance assumptions. Although we intend to make distributions of our available cash to holders of Units, these cash distributions may be reduced or suspended, depending on numerous factors disclosed in our continuous disclosure documents. In addition, the market value of the Units may decline if we are unable to meet our cash distribution targets in the future, and that decline may be significant.

It is important for you to consider the particular risk factors that may affect the real estate industry and therefore the stability of distributions that holders of Units receive. See, for example, "Risk Factors" in this Prospectus, "Risks Inherent in the Real Estate Industry May Affect Our Financial Performance" under the section "Risk Factors" in our annual information form dated March 30, 2012 and "Risks and Our Strategy to Manage" in our 2011 MD&A. Those sections may also describe our assessment of certain of those risk factors, as well as the potential consequences if a risk should occur.

The after-tax return from an investment in Units to holders subject to Canadian income tax will depend, in part, on the composition for income tax purposes of distributions paid by Dundee REIT on its Units, portions of which may be fully or partially taxable or may constitute tax deferred distributions which are not subject to tax at the time of receipt but reduce a holder's adjusted cost base in the Unit for tax purposes. The composition may change over time, thus affecting a holder's after-tax return. Distributions of the taxable income of Dundee REIT are generally taxed as ordinary income in the hands of a holder. Distributions in excess of the taxable income of Dundee REIT are generally tax-deferred (and reduce a holder's adjusted cost base in the Unit for tax purposes).

We are not a trust company and are not registered under applicable legislation governing trust companies as we do not carry on the business of a trust company. The Units are not "deposits" within the meaning of the *Canada Deposit Insurance Corporation Act*, and are not insured under the provisions of that Act or any other legislation.

All shelf information permitted under applicable securities legislation to be omitted from this Prospectus will be contained in one or more Prospectus Supplements that will be delivered to purchasers together with this Prospectus. Each Prospectus Supplement will be incorporated by reference into this Prospectus for the purposes of securities legislation as of the date of the Prospectus Supplement and only for the purposes of the distribution of the Securities to which the Prospectus Supplement pertains.

FORWARD-LOOKING INFORMATION

This Prospectus includes or incorporates by reference certain statements that are "forward-looking information" within the meaning of applicable securities legislation. All statements, other than statements of historical fact, in this Prospectus that address activities, events, developments or financial performance that we or a third party expect or anticipate will or may occur in the future, including our future growth, results of operations, performance and business prospects and opportunities, and the assumptions underlying any of the foregoing, are forward-looking statements and constitute forward-looking information. Forward-looking information is based upon a number of assumptions and is subject to a number of risks and uncertainties, many of which are beyond our control, that could cause actual results to differ materially from those that are disclosed in or implied by such forward-looking information. These risks and uncertainties include, but are not limited to: general and local

economic and business conditions; the financial condition of tenants; our ability to refinance maturing debt; leasing risks, including those associated with the ability to lease vacant space; our ability to source and complete accretive acquisitions; interest and currency rate fluctuations; and those that are described under the heading “Risk Factors” in this Prospectus, under the heading “Risk Factors” in our annual information form dated March 30, 2012 and under the heading “Risks and Our Strategy to Manage” in our 2011 MD&A.

Although the forward-looking statements contained in this Prospectus are based upon what we believe are reasonable assumptions, there can be no assurance that actual results will be consistent with these forward-looking statements. Our material assumptions made in preparing the forward-looking information contained in this Prospectus include the assumptions that: the Canadian economy will remain stable; interest rates will remain stable; conditions in the real estate market, including competition for acquisitions, will be consistent with the current climate; and capital markets will continue to provide us with ready access to equity and/or debt.

All forward-looking information in this Prospectus speaks as of the date of this Prospectus. We do not undertake to update any such forward-looking information whether as a result of new information, future events or otherwise, except as required by law. Additional information about these assumptions and risks and uncertainties is contained in our filings with securities regulators, including our latest annual information form, which are available on SEDAR at www.sedar.com. These filings are also available on our website at www.dundeereit.com.

TERMS USED TO DESCRIBE DUNDEE REIT AND ITS ACTIVITIES

Capitalized terms used in this Prospectus are defined under “Glossary of Terms”.

Our investment and operating activities are limited, because our operating activities are carried out by Dundee Properties LP, our principal operating subsidiary. We hold our interest in Dundee Properties LP through two limited partnerships, Partnership A and Partnership B. For simplicity, we use terms in this Prospectus to refer to our investments and operations as a whole. Accordingly, in this Prospectus, unless the context otherwise requires, when we use terms such as “we”, “us” and “our”, we are referring to Dundee REIT and its subsidiary entities, including trusts and partnerships in which Dundee REIT owns directly or indirectly more than a 50% equity interest. When we use expressions such as “our investments” or “our operations”, we are referring to the investments and operations of Dundee REIT and these subsidiary entities as a whole. When we use expressions such as “our properties”, “our portfolio”, “we own” or “we invest in” in relation to our properties, we are referring to our ownership of and investment in our properties indirectly through Dundee Properties LP. When we use expressions such as “we operate”, we are referring to our operations through Dundee Properties LP. When we refer to “Dundee REIT”, we are referring only to Dundee Real Estate Investment Trust.

MARKET AND INDUSTRY DATA

Certain market information incorporated by reference in this Prospectus has been obtained from the CB Richard Ellis MarketView, Third Quarter 2012, a publication prepared by a commercial firm that provides information relating to the real estate industry. Although we believe this information is reliable, the accuracy and completeness of this information is not guaranteed. We have not independently verified this information and make no representation as to its accuracy.

RECENT DEVELOPMENTS

Completion of Sale of Industrial Properties

On October 4, 2012, we completed the sale of 77 industrial properties to Dundee Industrial REIT. This transaction is described in the material change report of Dundee REIT dated October 5, 2012 and in our other continuous disclosure documents filed with applicable securities regulatory authorities.

Current discussions and agreements regarding proposed acquisitions and dispositions

Consistent with our past practices and in the normal course, we are engaged in discussions with respect to possible acquisitions of new properties and dispositions of existing properties in our portfolio. However, there can be no assurance that any of these discussions will result in a definitive agreement and, if they do, what the terms or timing of any acquisition or disposition would be. We expect to continue current discussions and actively pursue other acquisition, investment and disposition opportunities.

EARNINGS COVERAGE RATIOS

Earnings coverage ratios will be provided as required in the Prospectus Supplement with respect to the issuance of Debt Securities pursuant to this Prospectus.

DESCRIPTION OF UNITS

Units

Each Unit represents an undivided beneficial interest in Dundee REIT and in distributions made by Dundee REIT, whether of net income, net realized capital gains or other amounts and, in the event of our termination or winding up, in our net assets remaining after the satisfaction of all our liabilities. No Unit has preference or priority over any other.

Each Unit entitles the holder thereof to one vote for each whole Unit held at all meetings of unitholders of Dundee REIT.

The Units have no conversion, retraction, redemption or pre-emptive rights. Issued and outstanding Units may be subdivided or consolidated from time to time by our trustees with the approval of a majority of our unitholders. Unitholder approval is not required for an automatic consolidation.

The Units are not “deposits” within the meaning of the *Canada Deposit Insurance Corporation Act* and are not insured under the provisions of such act or any other legislation. Furthermore, we are not a trust company and, accordingly, we are not registered under any trust and loan company legislation as we do not carry on nor intend to carry on the business of a trust company.

For more information regarding our Units, see “Declaration of Trust and Description of REIT Units” in our most recent annual information form.

Limitation on Non-Resident Ownership

In order for Dundee REIT to maintain its status as a mutual fund trust under the Tax Act, it must not be established or maintained primarily for the benefit of non-residents of Canada. Accordingly, there are certain restrictions on the number of non-residents that may own our voting securities. See “Declaration of Trust and Description of REIT Units—Limitation on Non-Resident Ownership” in our most recent annual information form.

DESCRIPTION OF DEBT SECURITIES

The statements made below relating to any trust indenture and the Debt Securities to be issued thereunder are summaries of certain anticipated provisions thereof, are not complete and are subject to, and are qualified in their entirety by reference to, all provisions of the applicable trust indenture. A copy of the trust indenture will be available on SEDAR at www.sedar.com.

The Prospectus Supplement relating to any Debt Securities being offered will include specific terms relating to the offering. These terms will include some or all of the following:

- the designation of the series of the Debt Securities, which will distinguish the series of the Debt Securities from all other series of Debt Securities;
- any limit upon the aggregate principal amount of the series of the Debt Securities that may be certified and delivered under a trust indenture or supplement to a trust indenture;

- the date or dates on which the principal and any premium of the series of the Debt Securities is payable;
- the rate or rates at which the series of the Debt Securities shall bear interest, if any, the date or dates from which such interest shall accrue, on which such interest shall be payable and on which a record, if any, shall be taken for the determination of holders to whom such interest shall be payable and/or the method or methods by which such rate or rates or date or dates shall be determined;
- the place or places where the principal of and any interest on the series of the Debt Securities shall be payable or where any series of the Debt Securities may be surrendered for registration of transfer or exchange;
- the right, if any, of Dundee REIT to redeem the series of the Debt Securities, in whole or in part, at its option and the period or periods within which, the price or prices at which and any terms and conditions upon which, the series of the Debt Securities may be so redeemed, pursuant to any sinking fund or otherwise;
- the obligation, if any, of Dundee REIT to redeem, purchase or repay the series of the Debt Securities pursuant to any mandatory redemption, sinking fund or analogous provisions or at the option of a holder thereof and the price or prices at which, the period or periods within which, the date or dates on which, and any terms and conditions upon which, the series of the Debt Securities shall be redeemed, purchased or repaid, in whole or in part, pursuant to such obligations;

- if other than Canadian currency, the currency in which the series of the Debt Securities are issuable; and
- any other term of the series of the Debt Securities.

All Debt Securities of any one series shall be substantially identical, except as may otherwise be established pursuant to a resolution of the Trustees, in an officers' certificate, or in the trust indenture or supplement to the trust indenture for the Debt Securities. All Debt Securities of any one series need not be issued at the same time and may be issued from time to time.

If we sell any of the Debt Securities for any foreign currency or currency unit or if payments on the Debt Securities are payable in any currency or currency unit other than the Canadian dollar, we will describe in the Prospectus Supplement the restrictions, elections, tax consequences, specific terms and other information relating to those Debt Securities and the non-Canadian dollar currency or currency unit.

Convertible Debentures

We may issue Debt Securities that are convertible debentures (“Convertible Debentures”). We currently have a trust indenture dated as of June 21, 2004 providing for the issuance of Convertible Debentures. We refer to such indenture, as amended, as the “Indenture” or “Trust Indenture” and the trustee under the Indenture as the “Debenture Trustee” or “Trustee”. The following is a summary of certain provisions of Convertible Debentures that may be issued under the Indenture. This summary is not complete.

General

The principal on Convertible Debentures is payable in lawful money of Canada or, at the option of Dundee REIT and subject to applicable regulatory approval, by payment of freely-tradeable Units to satisfy, in whole or in part, our obligation to repay the principal amount of the Convertible Debentures.

All Convertible Debentures are direct unsecured obligations of Dundee REIT. All Convertible Debentures as soon as issued or negotiated, subject to the terms hereof and the terms of any indenture supplemental hereto, shall rank *pari passu* with each other, and shall be equally and proportionately entitled to the benefits hereof, whatever may be the actual date or terms of the issue of same, respectively, as if all of the Convertible Debentures had been issued and negotiated simultaneously. The payment of the principal of, and interest on, all Convertible Debentures shall, as provided herein, be subordinated in right of payment to all Senior Indebtedness (including all payments thereunder).

The Convertible Debentures are direct obligations of Dundee REIT and are not secured by any mortgage, pledge, hypothec or other charge and are subordinated to all other liabilities of Dundee REIT. The Indenture does not restrict Dundee REIT or its Subsidiaries from incurring additional indebtedness for borrowed money or from mortgaging, pledging or charging our real or personal property or properties to secure any indebtedness.

The Convertible Debentures are transferable, and may be presented for conversion, at the principal offices of the Trustee in Toronto, Ontario.

Payment upon Redemption or Maturity

Upon redemption or at the maturity date, we will repay the indebtedness represented by the Convertible Debentures by paying to the Trustee, in lawful money of Canada, an amount equal to the principal amount of the outstanding Convertible Debentures, together with accrued and unpaid interest thereon. We may, at our option, on not more than 60 days’ and not less than 30 days’ prior notice and subject to any required regulatory approvals, unless an Event of Default has occurred and is continuing, elect to satisfy our obligation to repay, in whole or in part, the principal amount of the Convertible Debentures which are to be redeemed or which have matured by issuing freely-tradeable Units, in whole or in part, to the holders of the Convertible Debentures. No fractional Units will be issued to holders of Convertible Debentures but in lieu thereof we shall satisfy such fractional interest by a cash payment equal to the Current Market Price of such fractional interest.

Interest Payment Election

Unless an Event of Default has occurred and is continuing, we may elect, at any time and from time to time, subject to applicable regulatory approval, to issue and deliver freely-tradeable Units to the Trustee in order to raise funds to satisfy all or any part of our obligations to pay interest on the Convertible Debentures in accordance with the Indenture in which event holders of the Convertible Debentures will be entitled to receive a cash payment equal to the interest payable from the proceeds of the sale of such Units by the Trustee. The Indenture provides that, upon such election, the Trustee shall: (a) accept delivery of Units from us; (b) accept bids with respect to, and consummate sales of, such Units, each as we shall direct in our absolute discretion; (c) invest the proceeds of such sales in specified short term Canadian federal or provincial government or Canadian chartered bank obligations which mature prior to the applicable Interest Payment Date; (d) deliver proceeds to the registered holders of the Convertible Debentures (or any transferees of such persons) sufficient to satisfy our interest payment obligations; and (e) perform any other action necessarily incidental thereto as directed by us in our absolute discretion. The amount received by a holder in respect of interest and the timing of payment thereof will not be affected by whether or not we elect to utilize the Unit Interest Payment Option.

Neither our making of the Unit Interest Payment Option nor the consummation of sales of Units will (a) result in the registered holders of the Convertible Debentures not being entitled to receive, on the applicable payment date, cash in an aggregate amount equal to the interest payable on such payment date; or (b) entitle such holders to receive any Units in satisfaction of the interest payable on the applicable payment date.

Redemption and Purchase

We have the right to purchase Convertible Debentures in the market, by tender or by private contract subject to regulatory requirements; provided, however, that if an Event of Default has occurred and is continuing, we will not have the right to purchase the Convertible Debentures by private contract.

In the case of redemption of less than all of the Convertible Debentures, the Convertible Debentures to be redeemed will be selected by the Convertible Debentures Trustee on a *pro rata* basis or in such other manner as the Trustee deems equitable, subject to the consent of the stock market on which the Units are traded.

Cancellation

All Convertible Debentures converted, redeemed or purchased as aforesaid are cancelled and may not be reissued or resold.

Subordination

The payment of the principal of, and interest on, the Convertible Debentures is subordinated in right of payment, in the circumstances referred to below and more particularly as set forth in the Indenture, to the Senior Indebtedness of Dundee REIT. "Senior Indebtedness" of Dundee REIT is defined in the Indenture as all indebtedness of Dundee REIT (whether outstanding as at the date of the Indenture or thereafter incurred) which, by the terms of the instrument creating or evidencing the indebtedness, is not expressed to be *pari passu* with, or subordinate in right of payment to, the Convertible Debentures. The Convertible Debentures do not limit our ability to incur additional indebtedness, including indebtedness that ranks senior to the Convertible Debentures, or from mortgaging, pledging or charging real or personal property or properties of Dundee REIT to secure any indebtedness.

The Indenture provides that in the event of any insolvency or bankruptcy proceedings, or any receivership, liquidation, reorganization or other similar proceedings relative to Dundee REIT, or to Dundee REIT's property or assets, or in the event of any proceedings for voluntary liquidation, dissolution or other winding up of Dundee REIT, whether or not involving insolvency or bankruptcy, or any marshalling of the assets and liabilities of Dundee REIT, all creditors entitled to Senior Indebtedness receive payment in full before the registered holders of the Convertible Debentures will be entitled to receive any payment or distribution of any kind or character, whether in cash, property or securities, which may be payable or deliverable in any such event in respect of any of the Convertible Debentures or any unpaid interest accrued thereon.

The Convertible Debentures are effectively subordinate to claims of creditors (including trade creditors) of Dundee REIT's Subsidiaries except to the extent Dundee REIT is a creditor of such subsidiaries ranking at least *pari passu* with such other creditors.

Modification

The rights of the registered holders of the Convertible Debentures may be modified in accordance with the terms of the Indenture. For that purpose, among others, the Trust Indenture contains certain provisions which make Extraordinary Resolutions binding on all registered holders of the Convertible Debentures. Under the Indenture, the Convertible Debentures Trustee has the right to make certain amendments to the Indenture in its discretion, without the consent of the registered holders of the Convertible Debentures.

Events of Default

The Indenture provides that an Event of Default in respect of the Convertible Debentures occurs if certain events described in the Trust Indenture occur, including if any one or more of the following described events has

occurred and is continuing with respect to the Convertible Debentures: (a) failure for 15 days to pay interest on the Convertible Debentures when due; (b) failure to pay principal or premium, if any, on the Convertible Debentures, whether at the maturity date, upon redemption, by declaration of acceleration or otherwise; (c) an unremedied breach of any material covenant or condition of the Trust Indenture by us after a 30 day cure period following notice of such breach; or (d) certain events of bankruptcy, insolvency or reorganization of Dundee REIT under bankruptcy or insolvency laws. If an Event of Default has occurred and is continuing, the Trustee may, in its discretion, and shall, upon the request of holders of not less than 25% in principal amount of the then outstanding Convertible Debentures, declare the principal of (and premium, if any) and interest on all outstanding Convertible Debentures to be immediately due and payable. Certain Events of Default may be waived by written direction of the holders of 66⅔% of the principal amount of the outstanding Convertible Debentures, by Extraordinary Resolution or by the Trustee in certain circumstances in accordance with the terms of the Indenture.

Offers for Convertible Debentures

The Indenture contains provisions to the effect that if an offer is made for the Convertible Debentures which is a takeover bid for Convertible Debentures within the meaning of the *Securities Act* (Ontario), and not less than 90% of the outstanding principal amount of the Convertible Debentures (other than Convertible Debentures held at the date of the takeover bid by or on behalf of the offeror or associates or Affiliates of the offeror or any person acting jointly or in concert with the offeror) are taken up and paid for by the offeror, the offeror will be entitled to acquire the Convertible Debentures held by the registered holders of the Convertible Debentures who did not accept the offer on the terms offered by the offeror.

Book-entry, Delivery and Form

Convertible Debentures are issued in the form of global debentures held by, or on behalf of, the depository as custodian for its participants.

The Convertible Debentures are represented in the form of global debentures registered in the name of the depository or its nominee. Purchasers of Convertible Debentures represented by global debentures do not receive Convertible Debentures in definitive form. Rather, the Convertible Debentures are represented only in “book-entry only” form (unless we, in our sole discretion, elect to prepare and deliver definitive debt securities in fully-registered form). Beneficial interests in the global debentures, constituting ownership of the Convertible Debentures, will be represented through book-entry accounts of institutions (including the underwriters) acting on behalf of beneficial owners, as direct and indirect participants of the Convertible Debentures (the “participants”). Each purchaser of a Convertible Debenture represented by a global debenture will receive a customer confirmation of purchase from the underwriters from whom the Convertible Debentures is purchased in accordance with the practices and procedures of the selling underwriters. The practices of the underwriters may vary but generally customer confirmations are issued promptly after execution of a customer order. The depository is responsible for establishing and maintaining book-entry accounts for its participants having interests in global debentures.

If the depository notifies us that it is unwilling or unable to continue as depository in connection with the global debentures, or if at any time the depository ceases to be a clearing agency or otherwise ceases to be eligible to be a depository and Dundee REIT and the Trustee are unable to locate a qualified successor, or if we elect, in our sole discretion, to terminate the book-entry system, beneficial owners of Convertible Debentures represented by global debentures at such time will receive definitive debentures.

Transfer and Exchange of Convertible Debentures

Transfers of beneficial ownership in Convertible Debentures represented by global debentures is effected through records maintained by the depository for such global debentures or its nominees (with respect to interests of participants) and on the records of participants (with respect to interests of persons other than participants). Unless we elect, in our discretion, to prepare and deliver definitive debentures, beneficial owners who are not participants in the depository’s book-entry system, but who desire to purchase, sell or otherwise transfer ownership of or other interest in global debentures, may do so only through participants in the depository’s book-entry system.

The ability of a beneficial owner of an interest in a Convertible Debenture represented by a global debenture to pledge the Convertible Debenture or otherwise take action with respect to such owner’s interest in a

Convertible Debenture represented by a global debenture (other than through a participant) may be limited due to the lack of a physical certificate.

Registered holders of definitive debentures may transfer such Convertible Debentures upon payment of taxes or other charges incidental thereto, if any, by executing and delivering a form of transfer together with the Convertible Debentures to the registrar for the Convertible Debentures at its principal offices in Toronto, Ontario or such other city or cities as may from time to time be designated by us whereupon new Convertible Debentures will be issued in authorized denominations in the same aggregate principal amount as the Convertible Debentures so transferred, registered in the names of the transferees. No transfer or exchange of a Convertible Debentures will be registered during the period from the date of any selection by the Trustee of any Convertible Debentures to be redeemed or during the 15 preceding days or thereafter until the close of business on the date upon which notice of redemption of such Convertible Debentures is given. In addition, no transfer or exchange of any Convertible Debentures which have been selected or called for redemption will be registered.

Payments

Payments of interest and principal on each global debentures are made to the depository or its nominee, as the case may be, as the registered holder of the global debentures. As long as the depository or its nominee is the registered owner of a global debenture, such depository or its nominee, as the case may be, will be considered the sole legal owner of the global debenture for the purposes of receiving payments of interest and principal on the Convertible Debentures and for all other purposes under the Indenture and the Convertible Debentures. Interest payments on global debentures will be made by electronic funds transfer on the day interest is payable and delivered to the depository or its nominee, as the case may be. We will make any withholdings or deductions from all payments of interest on the Convertible Debentures in respect of taxes required by law or by the interpretation or administration thereof and will remit the full amount withheld or deducted to the relevant taxing authority in accordance with applicable law.

We understand that the depository or its nominee, upon receipt of any payment of interest or principal in respect of a global debenture, will credit participants' accounts, on the date interest or principal is payable, with payments in amounts proportionate to their respective beneficial interest in the principal amount of such global debenture as shown on the records of the depository or its nominee. We also understand that payments of interest and principal by participants to the owners of beneficial interest in such global debenture held through such participants will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name" and will be the responsibility of such participants. Our responsibility and liability in respect of payments on Convertible Debentures represented by the global debenture is limited solely and exclusively, while the Convertible Debentures are registered in global debenture form, to making payment of any interest and principal due on such global debenture to the depository or its nominee.

If definitive debentures are issued instead of or in place of global debentures, payments of interest on each definitive debenture will be made by electronic funds transfer, if agreed to by the holder of the definitive debenture or if required under any applicable payment clearing system rules, or by cheque dated the Interest Payment Date and mailed at least five Business Days preceding the applicable Interest Payment Date to the address of the holder appearing in the register maintained by the registrar for the Convertible Debentures at the close of business on the Record Date. Payment of principal at maturity will be made at the principal office of the Convertible Debentures Trustee in the City of Toronto, Ontario (or in such other city or cities as may from time to time be designated by us) against surrender of the definitive debentures, if any. If the due date for payment of any amount of principal or interest on any definitive debentures is not, at the place of payment, a Business Day, such payment will be made on the next Business Day and the holder of such definitive debenture shall not be entitled to any further interest or other payment in respect of such delay.

Reports to Holders

We file with the Trustee, within 15 days after the filing thereof with the Ontario Securities Commission, copies of our annual report and the information, documents and other reports that we are required to file with the Ontario Securities Commission and deliver to our Unitholders. Notwithstanding that we may not be required to remain subject to the reporting requirements of the Ontario Securities Commission, we shall provide to the Trustee:

(a) within 90 days after the end of each fiscal year, our annual financial statement; and (b) within 45 days after the end of each of the first three fiscal quarters of each fiscal year, our interim financial statements which shall, at a minimum, contain such information as is required to be provided in quarterly reports under the laws of Canada or any province thereof to security holders of a company with securities listed on a stock exchange in Canada, whether or not we have any of our securities so listed. Each of such reports will be prepared in accordance with applicable Canadian disclosure requirements and IFRS. We will provide copies of such information, documents and reports to registered holders of Convertible Debentures upon request.

Governing Law

Each of the Indenture and the Convertible Debentures are governed by, and will be construed in accordance with, the laws of the Province of Ontario applicable to contracts executed and to be performed entirely in such province.

PLAN OF DISTRIBUTION

We may sell Securities: (a) through underwriters, dealers or agents purchasing as principal or acting as agent; (b) directly to one or more purchasers, including sales upon the exercise of conversion or exchange rights attaching to convertible or exchangeable securities held by the purchaser; or (c) through a combination of any of these methods of sale. Securities may be sold from time to time in one or more transactions at a fixed price or prices which may be changed, at market prices prevailing at the time of sale, at prices related to such prevailing market price or at prices to be negotiated with purchasers, either for cash or for other consideration.

The Prospectus Supplement relating to each offering of Securities will identify each underwriter, dealer or agent, as the case may be, and will also set forth the terms of that offering, including the purchase price of such Securities, the proceeds to Dundee REIT and any underwriters', dealers' or agents' fees, commissions or other items constituting underwriters' or agents' compensation. Only underwriters, dealers or agents so named in the applicable Prospectus Supplement are deemed to be underwriters, dealers or agents, as the case may be, in connection with the Securities offered thereby.

In connection with the sale of Securities, underwriters, dealers or agents may receive compensation from Dundee REIT in the form of commissions, concessions or discounts. Any such commissions may be paid out of the general funds of Dundee REIT or the proceeds of the sale of the Securities.

Under agreements which may be entered into by Dundee REIT, underwriters, dealers and agents who participate in the distribution of Securities may be entitled to indemnification by Dundee REIT against certain liabilities, including liabilities under securities legislation, or to contribution with respect to payments which such underwriters or agents may be required to make in respect thereof.

In connection with any offering of Securities, the underwriters, dealers or agents who participate in the distribution of Securities may over-allot or effect transactions which stabilize or maintain the price of the Securities at a higher level than that which might exist in the open market. Such transactions may be commenced, interrupted or discontinued at any time.

Unless stated to the contrary in any Prospectus Supplement, the Securities have not been and will not be registered under the 1933 Act or any state securities laws and may not be offered or sold within the United States or to U.S. persons within the meaning of Regulation S under the 1933 Act, except in certain transactions exempt from the registration requirements of the 1933 Act. In addition, until 40 days after the commencement of an offering of Securities, an offer or sale of the Securities within the United States or to U.S. persons by any dealer, whether or not participating in the offering, may violate the registration requirements of the 1933 Act if such offer or sale is made otherwise than in accordance with an exemption from the registration requirements of the 1933 Act.

PURCHASERS' STATUTORY AND CONTRACTUAL RIGHTS

Securities legislation in certain of the provinces of Canada provides purchasers with the right to withdraw from an agreement to purchase securities. This right may be exercised within two business days after receipt or deemed receipt of a prospectus and any amendment, irrespective of the determination at a later date of the purchase price of the securities distributed. In several of the provinces, the securities legislation further provides a purchaser with remedies for rescission or, in some jurisdictions, revisions of the price or damages if the prospectus and any amendment contains a misrepresentation or is not delivered to the purchaser, provided that the remedies for rescission, revisions of the price or damages are exercised by the purchaser within the time limit prescribed by the securities legislation of the purchaser's province. The purchaser should refer to any applicable provisions of the securities legislation of the purchaser's province for the particulars of these rights or consult with a legal adviser.

Original Canadian purchasers of Debt Securities which are convertible or exchangeable into units of Dundee REIT will have a contractual right of rescission against Dundee REIT following the issuance of underlying units of Dundee REIT to such original purchasers upon the conversion or exchange of such convertible or exchangeable Debt Securities. The contractual right of rescission will entitle such original purchasers to receive the amount paid for the applicable convertible or exchangeable Debt Securities upon surrender of the underlying units of Dundee REIT issued upon the conversion or exchange of the Debt Securities, in the event that this Prospectus, the relevant Prospectus Supplement or an amendment contains a misrepresentation, provided that: (i) the conversion or exchange takes place within 180 days of the date of the purchase under this Prospectus of the Debt Securities which are convertible or exchangeable; and (ii) the right of rescission is exercised within 180 days of the date of the purchase under this Prospectus of the Debt Securities which are convertible or exchangeable. This contractual right of rescission will be consistent with the statutory right of rescission described under section 130 of the *Securities Act* (Ontario), and is in addition to any other right or remedy available to original purchasers under section 130 the *Securities Act* (Ontario) or otherwise at law. Original purchasers are further advised that in certain provinces the statutory right of action for damages in connection with a prospectus misrepresentation is limited to the amount paid for the Debt Securities which are convertible or exchangeable that were purchased under a prospectus, and therefore a further payment at the time of conversion or exchange may not be recoverable in a statutory action for damages.

The purchaser should refer to any applicable provisions of the securities legislation of the province in which the purchaser resides for the particulars of these rights, or consult with a legal advisor.
