(collectively, the “**Underwriters**”), Dundee REIT and Dundee Properties Limited Partnership (“**Dundee Properties LP**”), Dundee REIT has agreed to sell and the Underwriters have severally agreed to purchase, subject to the terms and conditions in the Underwriting Agreement, \$175,000,000 principal amount of Debentures at the price set out on the cover page to this prospectus supplement, payable in cash to Dundee REIT against delivery of the Debentures. The price at which the Underwriters will purchase Debentures from Dundee REIT was established by negotiation between Dundee REIT and the Underwriters. See “Plan of Distribution”.

The Debentures will be offered to the public at prices to be negotiated between each purchaser and the Underwriters. Accordingly, the price at which the Debentures will be offered and sold to the public may vary as between purchasers and during the period of distribution of the Debentures. The Underwriters’ overall compensation will increase or decrease by the amount by which the aggregate price paid for the Debentures by the purchasers exceeds or is less than the gross proceeds paid by the Underwriters to Dundee REIT. See “Plan of Distribution”.

The Underwriters, as principals, conditionally offer the Debentures, subject to prior sale, if, as and when issued, sold and delivered by us and accepted by the Underwriters in accordance with the conditions of the Underwriting Agreement referred to under “Plan of Distribution” and subject to the approval of certain legal matters on our behalf by Osler, Hoskin & Harcourt LLP, with respect to securities and other matters, and Wilson & Partners LLP, a law firm affiliated with PricewaterhouseCoopers LLP, with respect to certain tax matters, and on behalf of the Underwriters by Torys LLP.

Each of TD Securities Inc., RBC Dominion Securities Inc., Scotia Capital Inc. and CIBC World Markets Inc. is a Subsidiary of a Canadian chartered bank that is a lender to us under our demand revolving credit facility. We will use a portion of the net proceeds of this offering to repay indebtedness owing under that credit facility. **Consequently, Dundee REIT may be considered a “connected issuer” of such Underwriters for the purposes of applicable Canadian securities legislation. See “Plan of Distribution”.**

In connection with this offering, the Underwriters may effect transactions that stabilize or maintain the market price of the Debentures at levels other than those which otherwise might prevail on the open market. Such transactions, if commenced, may be discontinued at any time. See “Plan of Distribution”.

Subscriptions for Debentures will be received subject to rejection or allotment in whole or in part, and the Underwriters reserve the right to close the subscription books at any time without notice. Subject to customary closing conditions, the closing of this offering is expected to occur on June 13, 2013, or such other date as we and the Underwriters may agree, but no later than June 20, 2013. FORWARD-LOOKING INFORMATION

This prospectus supplement includes or incorporates by reference certain statements that are “forward-looking information” within the meaning of applicable securities legislation. All statements, other than statements of historical fact, in this prospectus supplement that address activities, events, developments or financial performance that we or a third party expect or anticipate will or may occur in the future, including our future growth, results of operations, performance and business prospects and opportunities, and the assumptions underlying any of the foregoing, are forward-looking statements and constitute forward-looking information. Forward-looking information is based upon a number of assumptions and is subject to a number of risks and uncertainties, many of which are beyond our control, that could cause actual results to differ materially from those that are disclosed in or implied by such forward-looking information. These risks and uncertainties include, but are not limited to: general and local economic and business conditions; the financial condition of tenants; our ability to refinance maturing debt; leasing risks, including those associated with the ability to lease vacant space; our ability to source and complete accretive acquisitions; interest and currency rate fluctuations; and those that are described under the heading “Risk Factors” in this prospectus supplement, under the heading “Risk Factors” in our annual information form dated April 1, 2013 and under the heading “Risks and Our Strategy to Manage” in our 2012 MD&A.

Although the forward-looking statements contained in this prospectus supplement are based upon what we believe are reasonable assumptions, there can be no assurance that actual results will be consistent with these forward-looking statements. Our material assumptions made in preparing the forward-looking information contained in this prospectus supplement include the assumptions that: the Canadian economy will remain stable; interest rates will remain stable; conditions in the real estate market, including competition for acquisitions, will be consistent with the current climate; and capital markets will continue to provide us with ready access to equity and/or debt.

All forward-looking information in this prospectus supplement speaks as of the date of this prospectus supplement. We do not undertake to update any such forward-looking information whether as a result of new information, future events or otherwise, except as required by law. Additional information about these assumptions and risks and uncertainties is contained in our filings with securities regulators, including our latest annual information form, which are available on SEDAR at www.sedar.com. These filings are also available on our website at www.dundeereit.com.

TERMS USED TO DESCRIBE DUNDEE REIT AND ITS ACTIVITIES

Dundee REIT’s investment and operating activities are limited, because our operating activities are carried out by Dundee Properties LP, our principal operating subsidiary. We hold our interest in Dundee Properties LP through two limited partnerships, Partnership A and Partnership B. For simplicity, we use terms in this prospectus supplement to refer to our activities and operations as a whole. Accordingly, in this prospectus supplement, unless the context otherwise requires, when we use terms such as “we”, “us” and “our”, we are referring to Dundee REIT and its subsidiary entities, including trusts and partnerships in which Dundee REIT owns directly or indirectly more than a 50% equity interest. When we use expressions such as “our activities”, we are referring to the activities of Dundee REIT and these subsidiary entities as a whole. When we use expressions such as “our properties”, “our portfolio”, “we own” or “we invest in” in relation to our properties, we are referring to Dundee REIT’s ownership of and investment in our properties indirectly through Dundee Properties LP. When we use expressions such as “we operate” in relation to the operations of Dundee REIT, we are referring to Dundee REIT’s operation through its indirect interest in Dundee Properties LP. When we refer to “Dundee REIT”, we are referring only to Dundee Real Estate Investment Trust.

DUNDEE REIT

We provide high quality, well-located and attractively priced business premises. Our portfolio comprises central business district and suburban office properties predominantly located in major urban centres across Canada, including Toronto, Calgary, Edmonton, Montréal, Kitchener-Waterloo, Ottawa, Vancouver, Regina, Saskatoon, Québec City, Yellowknife and Halifax. At March 31, 2013, our ownership interests included 177 office properties totalling approximately 23.4 million square feet of gross leasable area, including 23.3 million square feet of office properties and 0.1 million of redevelopment properties. Through Dundee Management LP, we provide property management services to our tenants and other businesses.

Dundee REIT is an unincorporated, open-ended real estate investment trust governed by the laws of the Province of Ontario. Dundee REIT is a “mutual fund trust” as defined in the Tax Act, but is not a “mutual fund” within the meaning of applicable Canadian securities legislation. Our head office is located at 30 Adelaide Street East, Suite 1600, Toronto, Ontario, M5C 3H1. A copy of our Declaration of Trust is available from our Secretary during the period of distribution of the Debentures and is available on SEDAR at www.sedar.com.

RECENT DEVELOPMENTS

Equity Offering

On May 1, 2013, we completed a bought deal public offering of 6,353,750 Units at a price of \$36.20 per Unit for total gross proceeds of approximately \$230 million, including Units issued as a result of the exercise by the underwriters of their over-allotment option. The net proceeds of the offering were used to fund acquisitions and for general trust purposes, including repayment of indebtedness incurred in connection with those acquisitions.

212 King Street West, Toronto, Ontario

On May 24, 2013, we completed the acquisition of 212 King Street West, a 6-storey, 73,277 square foot office building in downtown Toronto, Ontario, for approximately \$37.0 million (excluding transaction costs). At the time of acquisition, the property was 100% leased and had an average remaining lease term of 5.06 years.

Current discussions and agreements regarding proposed acquisitions and dispositions

Consistent with our past practices and in the normal course, we are engaged in discussions with respect to possible acquisitions of new properties and dispositions of existing properties in our portfolio. However, there can be no assurance that any of these discussions will result in a definitive agreement and, if they do, what the terms or timing of any acquisition or disposition would be. We expect to continue current discussions and actively pursue other acquisition, investment and disposition opportunities.

CAPITALIZATION

The material changes in our consolidated capitalization from April 1, 2013 to June 6, 2013 are as follows:

- Indebtedness increased by \$79.7 million due to: (i) \$78.9 million of new and assumed mortgage financings; (ii) \$0.3 million of new term debt; (iii) net drawings of \$61.6 million on our demand revolving credit facilities; and (iv) the issuance of 4,025 LP B Units pursuant to our DRIP. These increases were offset by \$61.1 million of principal and lump sum repayments on our indebtedness; and
- Unitholders' equity increased by \$228.3 million due to: (i) the issuance of 6,353,750 Units on May 1, 2013 pursuant to the public offering described under “Recent Developments”; (ii) the issuance of 208,332 Units pursuant to our DRIP; and (iii) the issuance of 11,556 Units pursuant to our Deferred Unit Incentive Plan.

As a result of the planned issuance of Debentures under this offering, indebtedness would increase by approximately \$175 million, net of expenses of this offering and the underwriters' fee estimated to be \$1.5 million.

General

The Debentures will be issued in \$1,000 denominations and will be unlimited as to principal amount. The Debentures issued in this offering will be limited to \$175,000,000 aggregate principal amount and will be dated as of the closing of this offering. The Debentures will bear interest at the rate of 3.424% per annum, payable in equal semi-annual instalments on June 13 and December 13 in each year, with the first payment of interest due on December 13, 2013, and will mature on the Maturity Date.

Rank

The Debentures will be direct senior unsecured obligations of Dundee REIT and will rank equally and ratably with one another and with all other Debt Securities and with all other unsecured and unsubordinated Indebtedness of Dundee REIT, except for sinking fund provisions applicable to other Debt Securities or to other similar types of obligations of Dundee REIT, if any, and except to the extent prescribed by law.

Guarantee

The Debentures will be guaranteed by Dundee Properties LP. In the case of default by Dundee REIT, the Indenture Trustee will, subject to the Indenture, be entitled to seek redress from Dundee Properties LP for the guaranteed obligations in the same manner and upon the same terms that it may seek to enforce the obligations of Dundee REIT. This guarantee is intended to address structural subordination, which arises as a consequence of Dundee REIT’s assets being primarily held, directly or indirectly, by Dundee Properties LP. If Dundee Properties LP or any other future guarantor is not a resident of Canada (within the meaning of the Tax Act), that guarantor may be released from its guarantee in certain circumstances as set out in the applicable guarantee. See “Risk Factors”.

Certain unconsolidated financial information relating to Dundee REIT, Dundee Properties LP and other subsidiaries of Dundee REIT, are included in this prospectus supplement under the heading “Guarantor Financial Information”.

Redemption by Dundee REIT

At Dundee REIT’s option, Dundee REIT may redeem the Debentures at any time, in whole or in part, on payment of a redemption price equal to the greater of (i) the Canada Yield Price and (ii) par, together in each case with accrued and unpaid interest to the date fixed for redemption (less any taxes required by law to be deducted or

withheld). Dundee REIT will give notice of redemption at least 30 days but not more than 60 days before the date fixed for redemption. Where less than all of the Debentures are to be redeemed pursuant to their terms, the Debentures to be so redeemed will be redeemed on a *pro rata* basis according to the principal amount of such Debentures registered in the respective name of each Debentureholder or in such other manner as the Indenture Trustee may consider equitable, provided that such selection will be proportionate.

Purchase of Debentures

Provided no event of default under the Indenture has occurred and is continuing, Dundee REIT may, at any time and from time to time, purchase Debentures in the market (which will include purchases from or through an investment dealer or a firm holding membership on or being a participating organization with respect to a recognized stock exchange) or by tender or private contract at any price. Debentures that are so purchased will be cancelled and will not be reissued or resold.

Certain Covenants in the Series A Supplemental Indenture

The Series A Supplemental Indenture will contain covenants substantially to the following effect.

Consolidated EBITDA to Consolidated Interest Expense Ratio

Dundee REIT will maintain at all times a ratio, calculated for each Reference Period, of Consolidated EBITDA (to be calculated on a *pro forma* basis in accordance with the Series A Supplemental Indenture) to Consolidated Interest Expense (to be calculated on a *pro forma* basis in accordance with the Series A Supplemental Indenture) of not less than 1.65 to 1.

Restrictions on Additional Indebtedness

On each day that Dundee REIT or any Subsidiary of Dundee REIT incurs Indebtedness, other than certain permitted Indebtedness described in the Series A Supplemental Indenture (which includes refinancing Indebtedness) Dundee REIT will calculate an Indebtedness percentage as set out below. Dundee REIT will not incur, or permit any Subsidiary to incur, any Indebtedness, other than certain permitted Indebtedness described in the Series A Supplemental Indenture (which includes refinancing Indebtedness), unless (i) the quotient (expressed as a percentage) obtained by dividing the amount of Consolidated Indebtedness (excluding any convertible Indebtedness) by the amount of Aggregate Adjusted Assets (in the case of each such amount, including any cash or cash equivalents on hand of a Joint Venture Arrangement, but excluding all other cash or cash equivalents on hand) and calculated on a *pro forma* basis as described below would be less than or equal to 60%, and (ii) the quotient (expressed as a percentage) obtained by dividing the amount of Consolidated Indebtedness (including, for certainty, any convertible Indebtedness) by the amount of Aggregate Adjusted Assets (in the case of each such amount, including any cash or cash equivalents on hand of a Joint Venture Arrangement, but excluding all other cash or cash equivalents on hand) and calculated on a *pro forma* basis as described below would be less than or equal to 65% (the 60% and 65% percentages in the preceding clauses (i) and (ii) are collectively referred to as the “**Indebtedness Percentage**”).

The Series A Supplemental Indenture will provide that the Indebtedness Percentage will be calculated on a *pro forma* basis as at the date of Dundee REIT’s most recently published annual or interim consolidated balance sheet (the “**Balance Sheet Date**”) giving effect to the incurrence of the Indebtedness to be incurred and the application of the proceeds therefrom and to any other event that has increased or decreased Consolidated Indebtedness or Aggregate Adjusted Assets since the Balance Sheet Date to the date of calculation.

Equity Maintenance

Dundee REIT will maintain at all times an Adjusted Unitholders’ Equity of at least \$500 million.

Certain Covenants in the Trust Indenture

The Trust Indenture will contain covenants substantially to the following effect.

Maintenance of Properties

Dundee REIT will maintain and keep or cause to be maintained and kept in good condition, repair and working order all of the properties owned by it or any of its Subsidiaries used in its business or in the business of any of its Subsidiaries. Dundee REIT will make or cause to be made all necessary renewals and replacements of and repairs and improvements to these properties as in its judgment may be necessary to carry on its business properly and prudently. Notwithstanding the foregoing, subject to various provisions in the Trust Indenture, Dundee REIT and its Subsidiaries will not be prohibited from selling or transferring any of their properties.

Insurance

Dundee REIT will maintain and will cause its Subsidiaries to maintain such property and liability insurance as would be maintained by a prudent owner.

Restrictions on Consolidations and Mergers

Without the consent of the Debentureholders by Extraordinary Resolution, Dundee REIT may not consolidate with, amalgamate with, enter into a merger or reorganization or similar transaction with any Person, or sell, assign, transfer, or lease all or substantially all of its properties and assets to any Person (each a “**Transaction**”) unless:

- (i) the entity (the “**Successor**”) formed by such Transaction or which acquires all or substantially all of Dundee REIT’s properties and assets is organized or existing under the laws of Canada or any province or territory thereof and (except where such assumption is deemed to have occurred solely by the operation of law) the Successor assumes under a supplemental indenture all of Dundee REIT’s obligations under the Trust Indenture, any supplemental indenture and any Debt Securities (including the Debentures);
- (ii) immediately before and immediately after giving effect to such Transaction, no event of default under the Indenture has occurred and is continuing;
- (iii) if, prior to the Transaction, the Person was a wholly-owned Subsidiary of Dundee REIT, the Successor remains a wholly-owned Subsidiary of Dundee REIT;
- (iv) if, prior to the Transaction, the Person is not a wholly-owned Subsidiary of Dundee REIT, but such Person is primarily engaged in the Real Estate Business, and within ten Business Days of the announcement of the proposed Transaction, each Approved Rating Organization that has provided a Rating with respect to Debt Securities (including the Debentures), after giving effect to the proposed Transaction, confirms in writing its Rating, if any, for the Debt Securities at least equal to the Rating assigned to the Debt Securities immediately prior to the announcement, and on or before the closing of such Transaction, no Rating assigned to the Debt Securities is Downgraded;
- (v) immediately after giving effect to the Transaction, the Successor could incur at least \$1.00 of Indebtedness under the indenture supplemental to the Trust Indenture that includes a covenant restricting the amount of Indebtedness Dundee REIT may incur; and
- (vi) in circumstances other than paragraph (iii) or paragraph (iv), such Transaction is to the satisfaction of the Indenture Trustee and in the opinion of counsel will be upon such terms to preserve and not to impair any of the rights and powers of the Indenture Trustee and of the Debentureholders under the Trust Indenture, any supplemental indenture and the Debt Securities (including the Debentures);

provided, however, that if, under the terms of such Transaction, Dundee REIT and the Successor will remain separate legal entities and it is not contemplated that the Successor will assume the obligations of Dundee REIT under the Trust Indenture, any supplemental indenture and the Debt Securities, Dundee REIT may undertake the Transaction provided that (a) the condition in paragraph (ii) is satisfied and within ten Business Days of the announcement of the proposed Transaction, each Approved Rating Organization

that has provided a Rating with respect to Debt Securities, after giving effect to the proposed Transaction, confirms in writing its Rating, if any, for the Debt Securities at least equal to the Rating assigned to the Debt Securities immediately prior to the announcement, and on or before closing of such Transaction, no Rating assigned to the Debt Securities is Downgraded, or (b) the condition in paragraph (vi) is satisfied.

Change of Control

If, within 30 days of a Change of Control, a Rating of the Debt Securities (including the Debentures) is Downgraded, Dundee REIT will give notice to this effect and each of the holders of Debt Securities (including Debentureholders) may, not more than 30 days following their deemed receipt of such notice, require Dundee REIT to repurchase its Debt Securities, in whole or in part, at a price of (i) 101% of the principal amount of such Debt Securities plus (ii) all accrued interest to the date of repurchase.

Events of Default

The Trust Indenture will provide that each of the following events will constitute an event of default in respect of each series of Debt Securities (including the Debentures):

- (a) default in payment of principal when due;
- (b) default in payment of any interest when due where such default continues for a period of three Business Days after the relevant interest payment date;
- (c) a breach of or default in the performance of any other covenant of Dundee REIT under the Debentures or the Indenture where such default or breach continues for a period of 30 days after the Indenture Trustee has given notice in writing to Dundee REIT specifying such breach or default, and requiring Dundee REIT to put an end to such breach or default unless the Indenture Trustee (having regard to the subject matter of such breach or default) agrees to a longer period, and in such event within the period agreed to by the Indenture Trustee;
- (d) certain events of bankruptcy, insolvency, winding up or dissolution related to Dundee REIT or a Material Subsidiary as set out in the Indenture;
- (e) the rendering of a final judgment (not subject to appeal) against Dundee REIT or any Material Subsidiary in an aggregate amount in excess of \$25 million by a court of competent jurisdiction, which remains undischarged and unstayed for a period of 60 days after the date on which the right to appeal has expired; and
- (f) default by Dundee REIT or any Material Subsidiary under the terms of any Indebtedness (other than any Non-Recourse Indebtedness) where that default results in the acceleration of that Indebtedness (after expiration of any applicable grace period) unless such acceleration is waived or rescinded; provided that the aggregate of all such Indebtedness which is accelerated exceeds \$25 million.

Subject to the provisions of the Trust Indenture relating to the duties of the Indenture Trustee, in case an event of default applicable to a particular series of Debt Securities occurs and is continuing, the Indenture Trustee will be under no obligation to exercise any of its rights or powers under the Trust Indenture at the request or direction of any of the holders of Debt Securities of such series, unless such holders have offered to indemnify the Indenture Trustee to its reasonable satisfaction.

If an event of default (other than an event of default described in paragraph (d) above) occurs and is continuing with respect to a particular series of Debt Securities (including the Debentures), the Indenture Trustee may, in its discretion, or will, upon receiving instruction from the holders of at least 25% in aggregate principal amount of the outstanding Debt Securities of such series, accelerate the maturity of all Debt Securities of such series; provided that, notwithstanding any other provisions of the Trust Indenture, after such acceleration, but before a judgement or decree based on acceleration, the holders of a majority in aggregate principal amount of outstanding Debt Securities of such series may rescind and annul such acceleration in certain circumstances described in the

Trust Indenture. See “ – Modification and Waiver”. If an event of default specified in paragraph (d) above occurs, the outstanding Debt Securities will become immediately due and payable without any declaration or other act on the part of the Indenture Trustee or any holder of Debt Securities.

Defeasance

The Trust Indenture will contain provisions requiring the Indenture Trustee to release Dundee REIT from its obligations under the Indenture relating to a particular series of Debt Securities (including the Debentures) provided that, among other things, Dundee REIT satisfies the Indenture Trustee that it has deposited funds or made due provision for the payment of the expenses of the Indenture Trustee and for payment of all principal and interest and other amounts due or to become due in respect of such series of Debt Securities.

Modification and Waiver

The rights of holders of Debt Securities (including Debentureholders) may be modified if authorized by Extraordinary Resolution. If the proposed modification affects the rights of the holders of a separate series of Debt Securities rather than all of the Debt Securities, the approval of a like proportion of the holders of such separate series of Debt Securities outstanding will be required.

Notwithstanding the above, the Trust Indenture provides that the approval of holders of 75% of the outstanding principal amount of Debt Securities of a particular series will be required (a) to change the stated maturity of the principal, the redemption price of, or any instalment of interest on, any Debt Securities of such series, (b) to reduce the principal amount of, or interest or premium (if any) on, any Debt Securities of such series, (c) to change the place or currency of payment of the principal of, premium (if any) on redemption price of or interest on, any Debt Securities of such series, or (d) to amend the percentage of Debt Securities of such series necessary to approve an Extraordinary Resolution.

The holders of a majority of the outstanding principal amount of the Debt Securities of a particular series, on behalf of all holders of Debt Securities of such series, may waive compliance by Dundee REIT with certain restrictive provisions of the Trust Indenture relating to such series. Subject to certain rights of the Indenture Trustee as provided in the Trust Indenture, the holders of a majority of the outstanding principal amount of Debt Securities of a particular series, on behalf of all holders of Debt Securities of such series, may waive certain events of default under the Trust Indenture.

Financial Information

Dundee REIT will covenant in the Trust Indenture to deliver to the Indenture Trustee its audited annual financial statements and unaudited interim financial statements at such time as such statements are delivered to Canadian securities regulators.

Depository Services

Except as otherwise provided below, the Debentures will be issued in book-entry only form and deposited with CDS and must be purchased or transferred through Participants, which include securities dealers, banks and trust companies. On the date of closing of this offering, Dundee REIT will cause a Global Debenture to be delivered to, and registered in the name of, CDS or its nominee. Except as described below, no purchaser of a Debenture will be entitled to a certificate or other instrument from us or CDS evidencing that purchaser’s ownership thereof, and no Debentureholder will be shown on the records maintained by CDS except through a book-entry account of a Participant acting on behalf of such Debentureholder. Each Debentureholder will receive a customer confirmation of purchase from the registered dealer from which the Debenture is purchased in accordance with the practices and procedures of that registered dealer. Practices of registered dealers may vary, but generally customer confirmations are issued promptly after execution of a customer order. CDS will be responsible for establishing and maintaining book-entry accounts for its Participants having interests in the Debentures.

Debentures will be issued in fully registered form to Debentureholders or their nominees other than CDS or its nominee if: (i) Dundee REIT determines that CDS is no longer willing or able to discharge properly its responsibilities as depository and Dundee REIT is unable to find a qualified successor, (ii) Dundee REIT at its

option elects, or is required by law, to terminate the book-entry system through CDS, (iii) after the occurrence of an event of default under the Indenture, Debentureholders representing beneficial interests aggregating over 50% of the outstanding principal amount of Debentures determine that the continuation of the book-entry system is no longer in their interests; or (iv) the book-entry only system ceases to exist.

Neither Dundee REIT nor the Underwriters will assume any liability for: (a) any aspect of the records relating to the beneficial ownership of the Debentures held by CDS or the payments relating thereto; (b) maintaining, supervising or reviewing any records relating to the Debentures; or (c) any advice or representation made by or with respect to CDS and contained in the prospectus and this prospectus supplement and relating to the rules governing CDS or any action to be taken by CDS or at the direction of its Participants. The rules governing CDS provide that it acts as the agent and depository for the Participants. As a result, Participants must look solely to CDS and beneficial owners must look solely to Participants for the payment of the principal and interest on the Debentures paid by or on behalf of Dundee REIT to CDS.

As indirect holders of Debentures, investors should be aware that they (subject to certain exceptions): (a) may not have Debentures registered in their name; (b) may not have physical certificates representing their interest in the Debentures; (c) may not be able to sell the Debentures to institutions required by law to hold physical certificates for securities they own; and (d) may be unable to pledge Debentures as security.

Transfers

Transfers of ownership in the Debentures will be effected only through records maintained by CDS or its nominee for such Debentures with respect to interests of Participants and on the records of Participants with respect to interests of Persons other than Participants. Debentureholders who are not Participants, but who desire to purchase, sell or otherwise transfer ownership of or other interest in the Debentures, may do so only through Participants.

The ability of a Debentureholder to pledge a Debenture or otherwise take action with respect to such Debentureholder's interest in the Debenture (other than through a Participant) may be limited due to the lack of a physical certificate.

Payment of Interest and Principal

Except in the case of payment on maturity or redemption, in which case, at the option of Dundee REIT, payment may be made on surrender of the Global Debenture(s), payments of interest and principal on each Global Debenture will be made to CDS as the sole registered Debentureholder. Interest payments on a Global Debenture will be made by cheque dated the date interest is payable and delivered to CDS two Business Days before the date interest is payable. Payments of interest may also be made by electronic funds transferred to CDS at the option of Dundee REIT. Principal payments on a Global Debenture will be made by deposit to the applicable account one Business Day before the Maturity Date or the redemption date and the funds will be paid to CDS against receipt of the Global Debenture. As long as CDS is the registered Debentureholder, CDS will be considered the sole owner of the Global Debenture for the purpose of receiving payment on the Debentures and for all other purposes under the Indenture and the Debentures.

Dundee REIT expects that CDS, upon receipt of any payment of principal or interest in respect of a Global Debenture, will credit Participants' accounts, on the date principal or interest is payable, with payments in amounts proportionate to their respective beneficial interests in the principal amount of such Global Debenture as shown on the records of CDS. Dundee REIT also expects that payments of principal and interest by Participants to the owners of beneficial interests in such Global Debenture held through such Participants will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name", and will be the responsibility of such Participants. The responsibility and liability of Dundee REIT and the Indenture Trustee in respect of Debentures represented by a Global Debenture is limited to making payment of any principal and interest due on such Global Debenture to CDS.

If the date for payment of any amount of principal or interest on any Debenture is not a Business Day at the place of payment, then payment will be made on the next Business Day and the Debentureholder will not be entitled to any further interest or other payment in respect of the delay.

CREDIT RATING

DBRS has assigned the Debentures a provisional rating of “BBB (low)”, with a “Stable” trend. This rating is on the DBRS long-term scale. The closing of this offering is conditional on the Debentures receiving a final rating of at least “BBB (low)”, with a “Stable” trend from DBRS.

Long-term ratings assigned by DBRS provide an opinion of DBRS on the risk of default; that is, the risk that an issuer will fail to satisfy its financial obligations in accordance with the terms under which an obligation has been issued.

DBRS’ long-term credit ratings scale ranges from “AAA” (typically assigned to obligations of the highest credit quality) to “D” (typically assigned to obligations in default, obligations that clearly will be in default in the near future or obligations that have been subject to a distressed exchange). A long-term obligation rated “BBB” by DBRS is the fourth highest rated obligation after those rated “AAA”, “AA” and “A” and is, in DBRS’ view, of adequate credit quality. The capacity for the payment of financial obligations is considered acceptable. DBRS indicates that “BBB” rated obligations may be vulnerable to future events. All DBRS rating categories other than “AAA” and “D” also contain subcategories “(high)” and “(low)”. The addition of either a “(high)” or “(low)” designation indicates the relative standing within a rating category.

DBRS uses “rating trends” for its ratings in, among other areas, the corporate sector. DBRS’ rating trends provide guidance in respect of DBRS’ opinion regarding the outlook for the rating in question, with rating trends falling into one of three categories: “Positive”, “Stable” or “Negative”. The rating trend indicates the direction in which DBRS considers the rating is headed should present tendencies continue, or in some cases, unless challenges are addressed. In general, DBRS’ view is based primarily on an evaluation of the issuing entity or guarantor itself, but may also include consideration of the outlook for the industry or industries in which the issuing entity operates. A “Positive” or “Negative” trend assigned by DBRS is not an indication that a rating change is imminent, but represents an indication that there is a greater likelihood that the rating could change in the future than would be the case if a “Stable” trend was assigned.

There can be no assurance that a rating will remain in effect for any given period of time or that a rating will not be lowered, withdrawn or revised by DBRS if in its judgment circumstances so warrant. The rating of the Debentures is not a recommendation to buy, sell or hold such securities, inasmuch as such ratings do not comment as to market price or suitability for a particular investor. See “Risk Factors – Credit Ratings and Credit Risk”.

Dundee REIT will pay customary rating fees to DBRS in connection with the above-mentioned rating. Dundee REIT did not make any payments to DBRS in respect of any other service provided to Dundee REIT by DBRS.

INTEREST AND EARNINGS COVERAGES

The Series A Supplemental Indenture will contain a covenant that Dundee REIT will maintain a ratio of Consolidated EBITDA to Consolidated Interest Expense of not less than 1.65 to 1. The calculation of such interest coverage ratio will be based on the defined terms of Consolidated EBITDA and Consolidated Interest Expense to be contained in the Indenture. This interest coverage ratio differs from the earnings coverage ratio required to be calculated under applicable Canadian securities laws. Such securities laws require the calculation to be based upon earnings and, as described below under “– Earnings Coverage Ratios”, includes a full 12 months of interest expense on indebtedness incurred subsequent to the respective calculation periods as if the indebtedness was incurred at the beginning of the calculation period but gives no credit to income derived from the associated use of proceeds other than interest savings on the repayment, redemption or retirement of other indebtedness. The interest coverage ratio calculated in accordance with the terms of the Series A Supplemental Indenture calculated for the 12 month period ended March 31, 2013 gives *pro forma* effect to the issuance of the Debentures, debt incurred and debt retired during or subsequent to the calculation period, the application of proceeds from such issuance or incurrence, any acquisition or disposition of assets by Dundee REIT or any Subsidiary since the first day of the calculation period, and the associated annual income therefrom as if these transactions occurred at the beginning of the calculation period. These coverage ratios are set out below. The interest coverage ratio referred to below has been calculated using the methodology that will be prescribed by the Series A Supplemental Indenture. The earnings coverage

ratios referred to below have been calculated using the methodology prescribed under applicable Canadian securities laws.

PLAN OF DISTRIBUTION

Pursuant to the Underwriting Agreement, we have agreed to sell and the Underwriters have severally agreed to purchase, subject to the terms and conditions contained in the Underwriting Agreement, on June 13, 2013 or on such other date as may be agreed between Dundee REIT and the Underwriters but, in any event, not later than June 20, 2013, \$175,000,000 aggregate principal amount of Debentures at the purchase price specified on the cover page of this prospectus supplement, for aggregate gross consideration of \$175,000,000 payable in cash to Dundee REIT against delivery. In consideration for their services in connection with this offering, the Underwriting

Agreement provides that we will pay to the Underwriters a fee of \$6.25 per Debenture, being an aggregate of \$1,093,750.

The obligations of the Underwriters under the Underwriting Agreement are several and may be terminated at their discretion on the occurrence of certain stated events. The Underwriters are, however, obligated to take up and pay for all of the Debentures if any of the Debentures are purchased under the Underwriting Agreement. We have agreed to indemnify the Underwriters and their directors, officers and employees against certain liabilities pursuant to the Underwriting Agreement, including liabilities under Canadian securities legislation.

There is no market through which the Debentures may be sold and purchasers may not be able to resell the Debentures. This may affect the pricing of the Debentures in the secondary market, the transparency and availability of trading prices, the liquidity of the securities and the extent of issuer regulation. See “Risk Factors”.

Subscriptions will be received subject to rejection or allotment in whole or in part and the right is reserved to close the subscription books at any time without notice.

The Debentures will be offered to the public at prices to be negotiated by the Underwriters with purchasers. Accordingly, the price at which the Debentures will be offered and sold to the public may vary as between purchasers and during the period of distribution of the Debentures. The Underwriters overall compensation will increase or decrease by the amount by which the aggregate price paid for the Debentures by the purchasers exceeds or is less than the gross proceeds paid by the Underwriters to Dundee REIT.

Under the Underwriting Agreement, Dundee REIT has agreed that it will not, without the prior written consent of TD Securities Inc., on behalf of the Underwriters, such consent not to be unreasonably withheld or delayed, create, issue or sell any Debt Securities, or any securities convertible into or exchangeable for such Debt Securities, or enter into an agreement to do any of the foregoing, for the period up to and including 60 days after the closing date of this offering other than the Debentures and any mortgages or other charges granted on specific properties owned or acquired by Dundee REIT or any of its Subsidiaries.

In connection with this offering, the Underwriters may effect transactions that stabilize or maintain the market price of the Debentures offered hereby at levels other than those which otherwise might prevail on the open market.

The Debentures have not been and will not be registered under the United States Securities Act of 1933, as amended (the “**1933 Act**”). Accordingly, except in certain transactions exempt from the registration requirements of the 1933 Act, the Debentures may not be offered, sold or delivered within the United States, and each Underwriter or selling agent has agreed that it will not offer, sell or deliver the Debentures within the United States. This prospectus supplement does not constitute an offer to sell or solicitation of an offer to buy any of the Debentures in the United States. In addition, until 40 days after the commencement of this offering, an offer or sale of the Debentures within the United States by a dealer (whether or not participating in this offering) may violate the registration requirements of the 1933 Act.

Each of TD Securities Inc., RBC Dominion Securities Inc., Scotia Capital Inc. and CIBC World Markets Inc. is a Subsidiary of a Canadian chartered bank that is a lender to us under our demand revolving credit facility (the “**Credit Facility**”), which is one of four demand revolving credit facilities that we currently have in place. We will use a portion of the net proceeds of this offering to repay indebtedness owing under the Credit Facility which, as of the date of this prospectus supplement, was approximately \$165.5 million. Consequently, Dundee REIT may be considered a “connected issuer” of such Underwriters for the purposes of applicable Canadian securities legislation. The Credit Facility is secured by a first-ranking collateral mortgage on two properties and a second-ranking collateral mortgage on one property. We are in compliance with the terms of the credit agreement governing the Credit Facility, and none of the lenders referred to above has waived any breach of the agreement since its execution. Neither our financial position nor the value of the security granted has materially changed since we incurred the indebtedness under the Credit Facility.

We made the decision to offer the Debentures under this prospectus supplement, and the terms of this offering of the Debentures were negotiated at arm’s-length between TD Securities Inc. and us. The Underwriters

participated in the drafting of this prospectus supplement, the negotiation of the pricing of the Debentures and the due diligence process in respect of this offering. We understand that the decision of each of TD Securities Inc., RBC Dominion Securities Inc., Scotia Capital Inc. and CIBC World Markets Inc. to act as an underwriter for this offering was not influenced by its Canadian chartered bank parent, and that none of such Canadian chartered bank parents had any involvement in determining whether and when to distribute Debentures under this offering. Each of TD Securities Inc., RBC Dominion Securities Inc., Scotia Capital Inc. and CIBC World Markets Inc. will receive its proportionate share of the Underwriters' fee payable to the Underwriters.

USE OF PROCEEDS

The net proceeds from the sale of Debentures under this prospectus supplement are estimated to be approximately \$173.5 million after deduction of the Underwriters' fee and the estimated expenses of this offering. The Underwriters' fee and the expenses of this offering will be paid out of the proceeds of this offering. We will use the net proceeds of the offering to fund acquisitions and for general trust purposes, including the repayment of indebtedness incurred in connection with those acquisitions.

CERTAIN CANADIAN FEDERAL INCOME TAX CONSIDERATIONS

In the opinion of Wilson & Partners LLP, a law firm affiliated with PricewaterhouseCoopers LLP and special tax counsel to Dundee REIT, and Torys LLP, counsel to the Underwriters (together, the "**Counsel**"), the following is, as of the date hereof, a summary of the principal Canadian federal income tax considerations generally applicable under the Tax Act to the acquisition, holding and disposition of Debentures by a purchaser who acquires such Debentures pursuant to this offering. This summary is applicable to a Debentureholder who at all relevant times, for purposes of the Tax Act, is or is deemed to be resident in Canada, deals at arm's length and is not Affiliated with Dundee REIT and its Affiliates and holds the Debentures as capital property. Generally, the Debentures will be considered to be capital property to a Debentureholder provided that the Debentureholder does not hold the Debentures in the course of carrying on a business and has not acquired them in one or more transactions considered to be an adventure or concern in the nature of trade. Certain Debentureholders who might not otherwise be considered to hold their Debentures as capital property may, in certain circumstances, be entitled to make an irrevocable election in accordance with subsection 39(4) of the Tax Act to have such Debentures, and any other "Canadian security" (as defined in the Tax Act) owned in the taxation year in which the election is made and in subsequent taxation years, deemed to be capital property. Debentureholders who do not hold their Debentures as capital property should consult their own tax advisors regarding their particular circumstances.

This summary is not applicable to a Debentureholder: (i) that is a "financial institution" for purposes of the mark-to-market rules; (ii) that is a "specified financial institution"; (iii) that has elected to determine its Canadian tax results in accordance with a "functional currency"; or (iv) an interest in which is a "tax shelter investment", as each term is defined in the Tax Act. Such Debentureholders should consult their own tax advisors to determine the tax consequences to them of the acquisition, holding and disposition of Debentures acquired pursuant to this offering. In addition, this summary does not address the deductibility of interest by an investor who has borrowed money to acquire Debentures under this offering.

This summary is based upon the provisions of the Tax Act and the regulations thereunder (the "**Regulations**"), and Counsel's understanding, based on publicly available published materials, of the administrative policies and assessing practices of the CRA, all in effect as of the date of this prospectus supplement. This summary takes into account all specific proposals to amend the Tax Act and the Regulations that have been publicly announced by or on behalf of the Minister prior to the date of this prospectus supplement (the "**Tax Proposals**"). Except for the Tax Proposals, this summary does not otherwise take into account or anticipate any changes in law, whether by legislative, governmental or judicial decision or action, or changes in CRA's administrative policies and assessing practices, nor does it take into account provincial, territorial or foreign tax legislation or considerations, which may differ significantly from those discussed herein. This summary assumes that the Tax Proposals will be enacted as currently proposed, but no assurances can be given that this will be the case. There can be no assurances that CRA will not change its administrative policies and assessing practices.

This summary is not exhaustive of all possible Canadian federal income tax considerations applicable to an investment in Debentures. Moreover, the income and other tax consequences of acquiring, holding or disposing of Debentures will vary depending on the holder's particular circumstances. Accordingly, this

summary is of a general nature only and is not intended to be, nor should it be construed to be, legal or tax advice to any prospective investor of Debentures. Consequently, a prospective investor should consult the investor's own tax advisor for advice with respect to the tax consequences of an investment in Debentures based on the prospective investor's particular circumstances.

Interest on Debentures

A Debentureholder that is a corporation, partnership, unit trust or any trust of which a corporation or a partnership is a beneficiary will be required to include in computing its income for a taxation year any interest on the Debentures that accrues (or is deemed to accrue) to it to the end of the particular taxation year (or if the Debentureholder disposes of the Debentures in the year, that accrues or is deemed to accrue to it until the time of disposition) or that has become receivable by or is received by the Debentureholder before the end of that taxation year, including on a redemption or repayment on maturity, except to the extent that such interest was included in computing the Debentureholder's income for a preceding taxation year.

Any other Debentureholder (including an individual) will be required to include in computing income for a taxation year all interest on the Debentures that is received or receivable by the Debentureholder in that taxation year (depending upon the method regularly followed by the Debentureholder in computing income), including on a redemption or repayment on maturity, except to the extent that the interest was included in the Debentureholder's income for a preceding taxation year. Such a Debentureholder may also be required to include in computing the Debentureholder's income for a taxation year all interest (not otherwise required to be included in income) that accrues or is deemed to accrue on the Debentureholder's Debentures to the end of any "anniversary day" (as defined in the Tax Act) in that year. For this purpose, an anniversary day means the day that is one year after the day immediately preceding the date of issue of a Debenture, the day that occurs at every successive one year interval from that day and the day on which the Debenture is disposed of.

A Debentureholder that is a "Canadian-controlled private corporation" (as defined in the Tax Act) may be liable to pay an additional refundable tax of 6 2/3% on investment income for the year, including interest.

Redemption or Repayment of Debentures

If Dundee REIT redeems a Debenture prior to maturity or it repays such a Debenture upon maturity, the Debentureholder will be considered to have disposed of the Debenture for proceeds of disposition equal to the amount received by the Debentureholder (other than the amount received on account of interest) on such redemption or repayment. The Debentureholder may realize a capital gain or capital loss computed as described below under "Disposition of Debentures".

The fair market value of any premium paid by Dundee REIT to a Debentureholder on a redemption or repayment of a Debenture will generally be deemed to be interest received at that time by such Debentureholder if such premium is paid by Dundee REIT because of the redemption or repayment by it of the Debenture before maturity, but only to the extent that such premium can reasonably be considered to relate to, and does not exceed the value on the date of redemption of, the interest that would have been paid or payable by Dundee REIT on the Debenture for taxation years of the REIT ending after the date of redemption or repayment.

Disposition of Debentures

On a disposition or deemed disposition of a Debenture, interest accrued thereon to the date of disposition and not yet due will be included in computing the Debentureholder's income, except to the extent such amount was otherwise included in the Debentureholder's income, and will be excluded in computing the Debentureholder's proceeds of disposition of the Debenture. In the event that interest has accrued or has been deemed to accrue on a Debenture, a Debentureholder who disposes of a Debenture for consideration equal to its fair market value will generally be entitled to deduct in computing income for the year of disposition an amount equal to any such interest included in income for that or any preceding year to the extent that no amount was received or became receivable by the Debentureholder in respect of the interest so accrued or deemed to accrue.

A disposition or deemed disposition by a Debentureholder (including a redemption or repayment) will generally result in the Debentureholder realizing a capital gain (or capital loss) equal to the amount by which the

proceeds of disposition (adjusted as described above) are greater (or less) than the aggregate of the Debentureholder's adjusted cost base thereof and any reasonable costs of disposition.

One-half of any capital gain realized by a Debentureholder on a disposition or deemed disposition of a Debenture will be included in the Debentureholder's income as a taxable capital gain. One-half of any capital loss realized by a Debentureholder on a disposition, or deemed disposition of Debenture, may generally be deducted only from taxable capital gains of the Debentureholder in the year of disposition, in the three preceding taxation years or in any subsequent taxation years, to the extent and under the circumstances described in the Tax Act.

A Debentureholder that is a "Canadian-controlled private corporation" (as defined in the Tax Act) may be liable to pay an additional refundable tax of 6 $\frac{2}{3}$ % on investment income for the year, including taxable capital gains.

A Debentureholder that is an individual or a trust may be liable for alternative minimum tax as a result of realizing a capital gain.

ELIGIBILITY FOR INVESTMENT

In the opinion of Counsel, provided that Dundee REIT qualifies as a "mutual fund trust" for purposes of the Tax Act and the Regulations and units of Dundee REIT are listed on a designated stock exchange, the Debentures will, on the date of the closing of this offering, be qualified investments for Plans, other than a deferred profit sharing plan to which payments are made by Dundee REIT.

Notwithstanding the foregoing, a holder of a TFSA or an annuitant under an RRSP or RRIF, as the case may be, will be subject to a penalty tax if the Debentures held in the TFSA, RRSP or RRIF are a "prohibited investment" as defined in the Tax Act for the TFSA, RRSP or RRIF. The Debentures will generally not be a "prohibited investment" for a TFSA, RRSP or RRIF if the holder of the TFSA or the annuitant under the RRSP or RRIF, as the case may be, (i) deals at arm's length with Dundee REIT for the purposes of the Tax Act, (ii) does not have a "significant interest", as defined in the Tax Act, in Dundee REIT, and (iii) does not have a "significant interest", as defined in the Tax Act, in a corporation, partnership or trust with which Dundee REIT does not deal at arm's length for purposes of the Tax Act. Tax Proposals released on December 21, 2012 propose to delete the condition in (iii) above. Holders of a TFSA and annuitants under a RRSP or RRIF should consult their own tax advisors as to whether the Debentures will be a "prohibited investment" in their particular circumstances.

RISK FACTORS

An investment in Debentures is subject to a number of risks, including those set forth in our most recent annual information form, in our 2012 MD&A and those set out below. Prospective investors should carefully consider these risks, in addition to information contained in this prospectus supplement and the prospectus and the information incorporated by reference herein and therein before purchasing Debentures.

Credit Ratings and Credit Risk

There can be no assurance that the credit rating assigned to the Debentures will remain in effect for any given period of time or that the rating will not be lowered, withdrawn or revised by DBRS at any time. Real or anticipated changes in credit rating on the Debentures may affect the market value of the Debentures. In addition, real or anticipated changes in credit rating can affect the cost at which we can access the capital markets. See "Credit Rating".

The likelihood that purchasers of the Debentures will receive payments owing to them under the terms of the Debentures will depend on our financial health and creditworthiness. In addition, the Debentures will be unsecured obligations of Dundee REIT.

Structural Subordination of the Debentures

Liabilities of a parent entity with assets held by various Subsidiaries may result in the structural subordination of the lenders of the parent entity. The parent entity is entitled only to the residual equity of its Subsidiaries after all debt obligations of its Subsidiaries are discharged. In the event of a bankruptcy, liquidation or

reorganization of Dundee REIT, holders of indebtedness of Dundee REIT (including Debentureholders) may become subordinate to lenders to the Subsidiaries of Dundee REIT.

Dundee Properties LP will provide a form of guarantee pursuant to which the Indenture Trustee will, subject to the Indenture, be entitled to seek redress from Dundee Properties LP for the guaranteed indebtedness. This guarantee is intended to address structural subordination which arises as a consequence of Dundee REIT's assets being primarily held, directly and indirectly, by Dundee Properties LP. As assets are held both directly and indirectly by Dundee Properties LP, the guarantee is similarly structurally subordinated to the lenders of Dundee Properties LP's Subsidiaries. In addition, there can be no assurance that the Indenture Trustee will, or will be able to, effectively enforce the guarantee. See "Details of the Offering – Guarantee".

Coverage Ratios

See "Interest and Earnings Coverages" which is relevant to an assessment of the risk that we will be unable to pay interest or principal on the Debentures when due.

Market Price or Value Fluctuation

If the Debentures are traded after their initial issuance, they may trade at a price lower than their initial public offering price. The market price or value of the Debentures depends on many factors, including liquidity of the Debentures, prevailing interest rates and the markets for similar securities, general economic conditions and our financial condition, historic financial performance and future prospects. Prevailing interest rates will affect the market price or value of the Debentures. Assuming all other factors remain unchanged, the market price or value of the Debentures, which carry a fixed interest rate, will decline as prevailing interest rates for comparable debt instruments rise, and increase as prevailing interest rates for comparable debt instruments decline. Challenging market conditions, the health of the economy as a whole and numerous other factors beyond our control may have a material effect on our business, financial condition, liquidity and results of operations. Financial markets have recently experienced significant price and volume fluctuations that have particularly affected the market prices of securities of issuers and that have often been unrelated to the operating performance, underlying asset values or prospects of such issuers. There can be no assurance that continuing fluctuations in price and volume will not occur. Accordingly, the market price of the Debentures may decline even if our operating results, underlying asset values or prospects have not changed. Additionally, these factors, as well as other related factors, may cause decreases in asset values that are objective evidence of impairment, which may result in impairment losses. If such increased levels of volatility and market turmoil continue, our operations could be adversely impacted and the market price of the Debentures may be adversely affected.

Trading Market for Debentures

There is currently no market through which the Debentures may be sold and purchasers may not be able to resell Debentures purchased under the prospectus, as supplemented by this prospectus supplement. This may affect the pricing of the Debentures in the secondary market, the transparency and availability of trading prices, the liquidity of the Debentures and the extent of issuer regulation. No assurance can be given as to whether an active or liquid trading market will develop or be maintained for the Debentures. To the extent that an active trading market for the Debentures does not develop, the liquidity and trading prices for the Debentures may be adversely affected.

Inability to Purchase Debentures on a Change of Control

We may be required to purchase all outstanding Debentures upon the occurrence of a Change of Control. However, it is possible that following a Change of Control, we will not have sufficient funds at that time to make any required purchase of outstanding Debentures or that restrictions contained in other indebtedness will restrict those purchases. See "Details of the Offering – Change of Control".

Debentures Redemption Right Risk

We may choose to redeem the Debentures prior to maturity, in whole or in part, at any time or from time to time, especially when prevailing interest rates are lower than the rate borne by the Debentures. If prevailing rates are lower at the time of redemption, a purchaser would not be able to reinvest the redemption proceeds in a

comparable security at an effective interest rate as high as the interest rate on the Debentures being redeemed. See “Details of the Offering – Redemption by Dundee REIT”.

Tax Risk

The Tax Act contains specific provisions relating to the taxation of SIFTs and their investors. Dundee REIT will not be considered to be a SIFT in respect of a particular taxation year and, accordingly, will not be subject to the SIFT rules in that year if it qualifies under the REIT Exception for the year. Based on a review of its assets and revenues, management has advised counsel that it is expected that Dundee REIT will satisfy the tests to qualify for the REIT Exception for 2013. However, there can be no assurance that Canadian federal income tax laws respecting the taxation of income trusts and other flow-through entities will not be changed in a manner that adversely affects Dundee REIT or that subsequent investments or activities undertaken by Dundee REIT will not result in it failing to qualify for the REIT Exception and being subject to the SIFT Legislation.

LEGAL MATTERS

Certain legal matters in connection with the Debentures offered hereby will be passed upon for us by Osler, Hoskin & Harcourt LLP, with respect to securities and other matters, and Wilson & Partners LLP, a law firm affiliated with PricewaterhouseCoopers LLP, with respect to certain tax matters, and for the Underwriters by Torys LLP.

The partners and associates of Osler, Hoskin & Harcourt LLP, as a group, Wilson & Partners LLP, as a group, and Torys LLP, as a group, each beneficially own, directly and indirectly, less than 1% of the outstanding securities of Dundee REIT and its Affiliates and associates.

AUDITORS AND INDENTURE TRUSTEE

Our auditors are PricewaterhouseCoopers LLP, Chartered Accountants, Licensed Public Accountants located in Toronto, Ontario.

The Indenture Trustee and registrar of the Debentures is Computershare Trust Company of Canada at its principal office in Toronto, Ontario.

PURCHASERS’ STATUTORY RIGHTS OF WITHDRAWAL AND RESCISSION

Securities legislation in certain of the provinces of Canada provides purchasers with the right to withdraw from an agreement to purchase securities. This right may be exercised within two business days after receipt or deemed receipt of a prospectus and any amendment thereto irrespective of the determination at a later date of the purchase price of the securities distributed. In several of the provinces, the securities legislation further provides a purchaser with remedies for rescission or, in some jurisdictions, revisions of the price or damages if the prospectus and any amendment contains a misrepresentation or is not delivered to the purchaser, provided that such remedies for rescission, revisions of the price or damages are exercised by the purchaser within the time limit prescribed by the securities legislation of the purchaser’s province. The purchaser should refer to any applicable provisions of the securities legislation of the purchaser’s province for the particulars of these rights or consult with a legal adviser.

Mr. Bierbaum has appointed Dundee Real Estate Investment Trust, 30 Adelaide Street East, Suite 1600, Toronto, Ontario, M5C 3H1, Canada, as agent for service of process in Canada. Purchasers are advised that it may not be possible for investors to enforce judgements obtained in Canada against any person or company that is incorporated, continued or otherwise organized under the laws of a foreign jurisdiction or resides outside of Canada, even if the party has appointed an agent for service of process.
